Homecoming '75

'Something to Cheer About'

HOMECOMING '75 - A time of laughter and fun for students, faculty and exes. From Hat Day to Sock it to 'em Day, Seniors to Freshmen and signs to pep rallies. One week full of spirit and dedication, which led up to a 34-0 victory over the Sweetwater Mustangs. Homecoming '75 . . . something to cheer about!

Bonfire, Death March Lead Festivities

Homecoming. One week of day to day competition among classes as well as faculty, all with one goal in mind, backing the Chiefs to a victory. Signs covered the halls of Lake View all week as clubs competed, with DECA winning top honors. An old LV tradition was brought back into prospective after an absence of four years, the Death March.

The whole student body gave its final condolences to the Sweetwater team with a funeral march around the whole school led by the football players carrying a casket. The march was led to an outdoor pep-rally.

PAGE 22. TOP LEFT: Gracie Diaz takes top honors during Homecoming. BOTTOM LEFT: The blazing bonfire represents the Chiefs' burning desire to beat the Sweetwater Mustangs. BOTTOM LEFT: Seniors Gilbert Montez and Vicki Hasty light the bonfire as Mr. and Miss Flame. BOTTOM RIGHT: The whole student body got into the spirit of the Homecoming Caravan.

Spirit Soars High In Impromptu Rally

Hat Day was another big part of the week. Students came with hats of all kinds, shapes, and colors. Blue Day, class project day, and the bonfire, the most student supported activities served as major spirit boosters.

Homecoming is also a time of making history. The Chiefettes performed for the first time in the club's history during half-time. Their performance was a routine dance to the New Orleans jazz sound of "Mississippi Mud."

Spirit soared high, giving exes a good time and seniors unforgettable memories.

PAGE 24. TOP LEFT: Bertha Perez takes part in halftime performance, dancing to "Mississippi Mud." BOTTOM LEFT: Herbert Powell and company get into the spirit of Hat Day. Gracie Crowned Queen Of Homecoming Court

Anticipation was heavy in the air as the loudspeaker sounded, "The 1975 Homecoming queen is . . . , GRACIE DIAZ!" It was at this time Gracie's dream came true, for she would start her reign as queen. Gracie is involved in numerous school activities, she has been a varsity cheerleader for two years, and is head cheerleader this year. She has been Key Club Sweetheart, Most Beautiful, a member of the National Honor Society, and captain of the Varsity Maiden's basketball team.

Elected*

Senior Vicki Hasty is a perfect example of an active student. She is a member of the National Honor Society, Student Council, and Youth for Christ clubs.

Vickie, a guard for the Maidens Varsity Basketball team was escorted by Ricky Fowler. She is also a varsity cheerleader and the current Miss Flame.

Duchesses Shine

Halftime Climaxes Activity

Five Seniors and three juniors made the 74-75 homecoming court. The duchesses, the highlight of the evening, captured every ones attention as they walked down to their appointed places on the field.

All of their faces shined brighter than any star in the sky for this honor will be one that they will long remember.

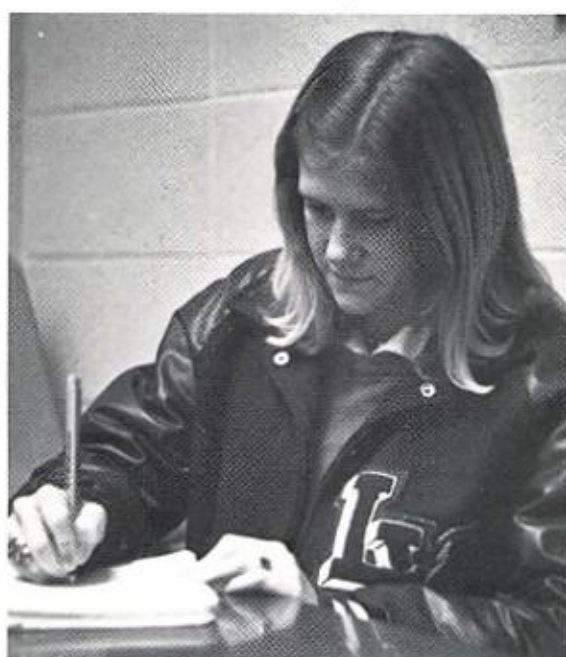

There was one addition made to the duchesses court this year, as the student body elected eight

girls instead of seven to the court.

Audience Involved In Dramas

The big production of the year is the three act play that the Drama department performs for the community.

This year the play "Curse of an Aching Heart or Caught in a Spider's Web" was an old fashioned melodrama that encouraged the participation of the audience and proved both fun and rewarding for all involved.

The children's play - The Golden Goose - received recognition from the elementaries in forms of letters and drawings.

The play which encouraged audience participation was performed for four elementary schools delighting the youngsters with their antics.

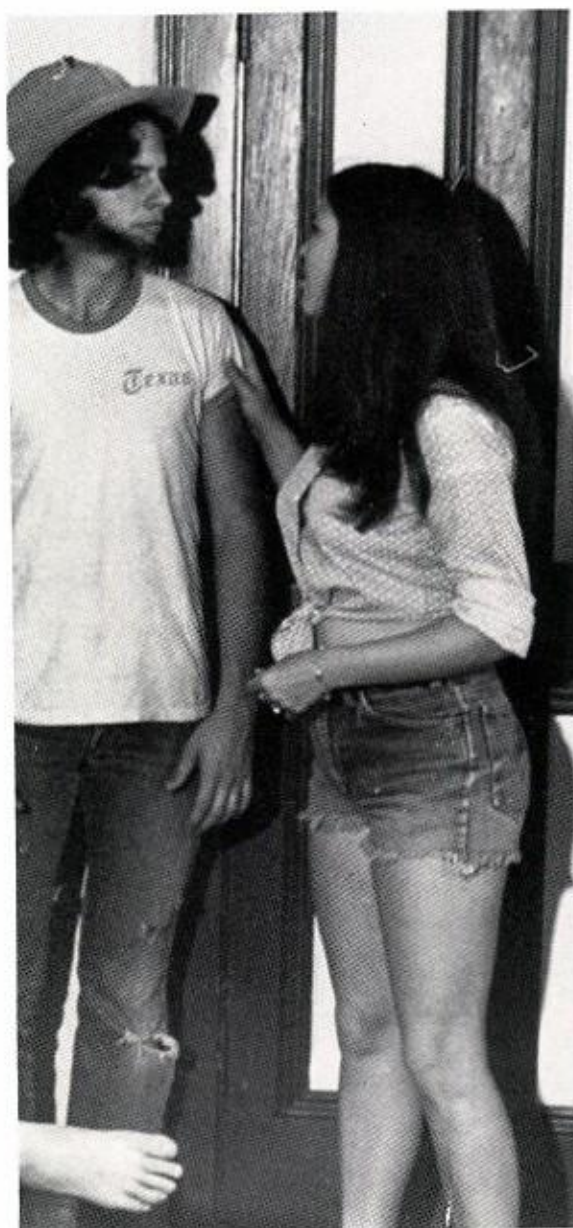

Film Made In Alpine

"Mountain Mama" a hilariously funny original film based on antics of two feuding hillbilly families was completely written, filmed and produced by the drama department.

Filmed on location at Fort Davis and the Alpine area, the class made special arrangements with the Texas Parks and Wildlife Commission.

The film was shown May 13-14 along with two one-act plays.

Singing and Fun Skits Raise Christmas Cheer

Excitement and anticipation were the key factors on December 19 as the Lake View student body came together in the student center to celebrate the all school Christmas Party.

The party started off with the choir singing Christmas carols and the student body joining in to raise their Christmas spirit. After the singing ended each class presented their class skits to the whole student body.

The juniors won their way to fame while singing their Texas version of the "12 Days of Christmas." Santa appeared and offered all kinds of surprises to teachers and students as well.

The big moment finally came when the candidates for Mr. and

Miss Spirit of Christmas were announced. The tension rose as speaker, Mrs. Karen Pearson, stalled the announcement of the honorees.

Gilbert Montez, senior and Tamie Pyburn, senior were elected as Mr. and Miss Spirit of Christmas for 1975. The other nominees were Levi Cauley, Terry Taylor, Kelby Mullins, Diane Bilbo, Mellissa Pustka, and Elizabeth Simpson.

Students Honored in Coronation

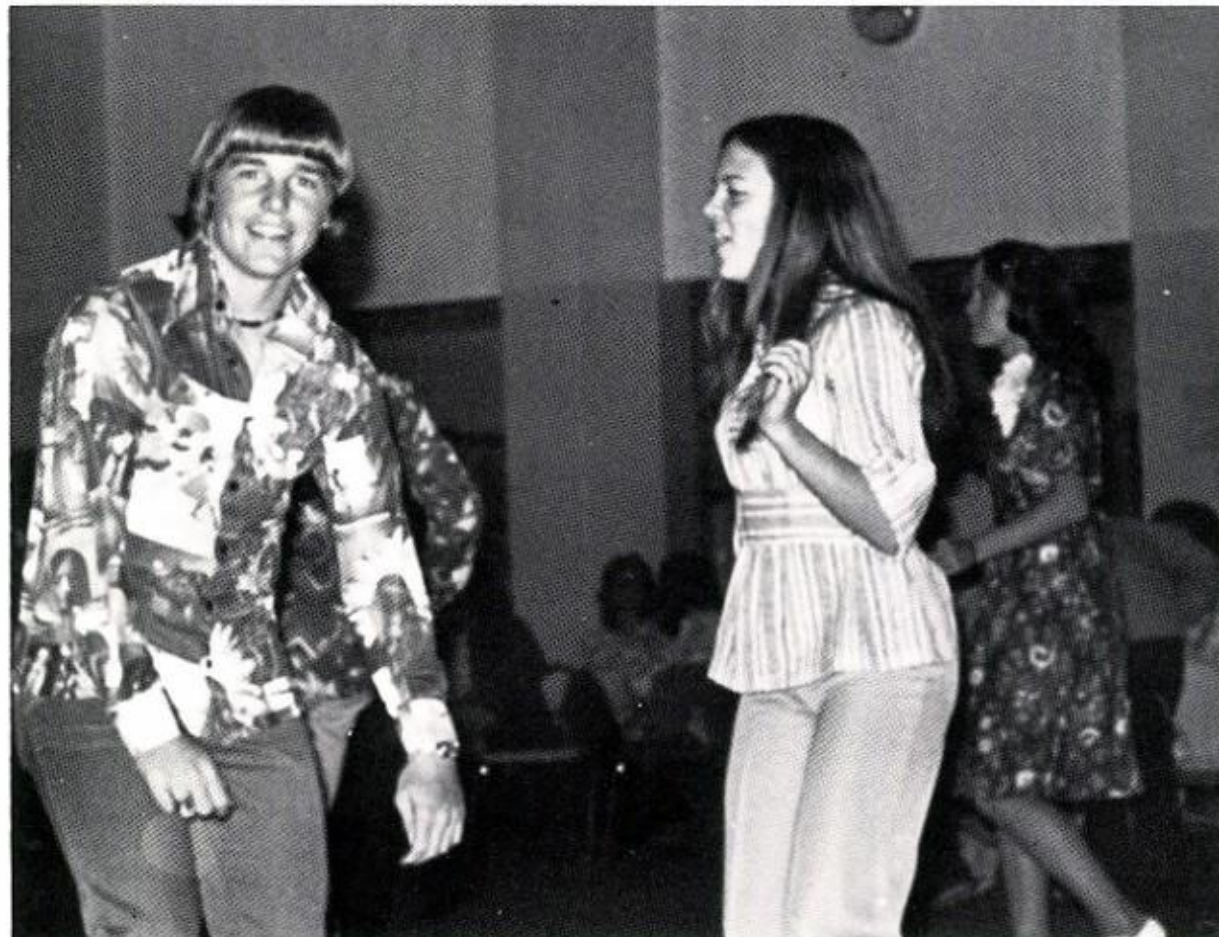

This Is 'The Good Times'

As the lights fade and the music starts the procession of the personalities begins. A group of young men and women selected by the Lake View student body make their way into the limelight.

The student body as a whole elects Mr. and Miss Lake View, Best all Around, Best Personality, Most Beautiful and Handsome, and Most Likely to Succeed. Each class elects their own favorites.

As the last big event of the year the students will remember the magic of "The Good Times."

OEA Banquet Has Bicentennial Theme

Skits, music, and a formal dinner all combined together in the bicentennial theme of the Office Education Association banquet.

Mr. Everett J. Grindstaff, a prominent Ballinger lawyer gave a speech on Human Relations in the Business World.

Skits were performed by both the juniors and seniors. Charlie Brown characters reflected thoughts of America and its Business World.

Miss Kiva Crawford sang a solo while Miss Sandra Paschal, math aide, played the piano.

Miss Paschal also played the dinner music and the music needed for the skits.

Each of the girls presented their employer with a plaque.

The banquet ended with 'This Is My Country,' sung by all of the girls.

About 200 people attended the banquet.

Outstanding Athletes Awarded Titles

Selecting outstanding athletes is never an easy job. All of our athletes have displayed high degrees of ability and leadership, but a few have distinguished themselves above the rest.

The KIXY player of the year is an award that is given by the KIXY Radio sports staff to the athlete that contributed the most in team effort. The award this year goes to Daniel Baker.

The remainder of the awards are chosen by their team-mates, which exemplifies each of the following athlete's leadership and team cooperation.

John Maberry was named Outstanding Back. The Outstanding Lineman was Daniel Baker. Jesse

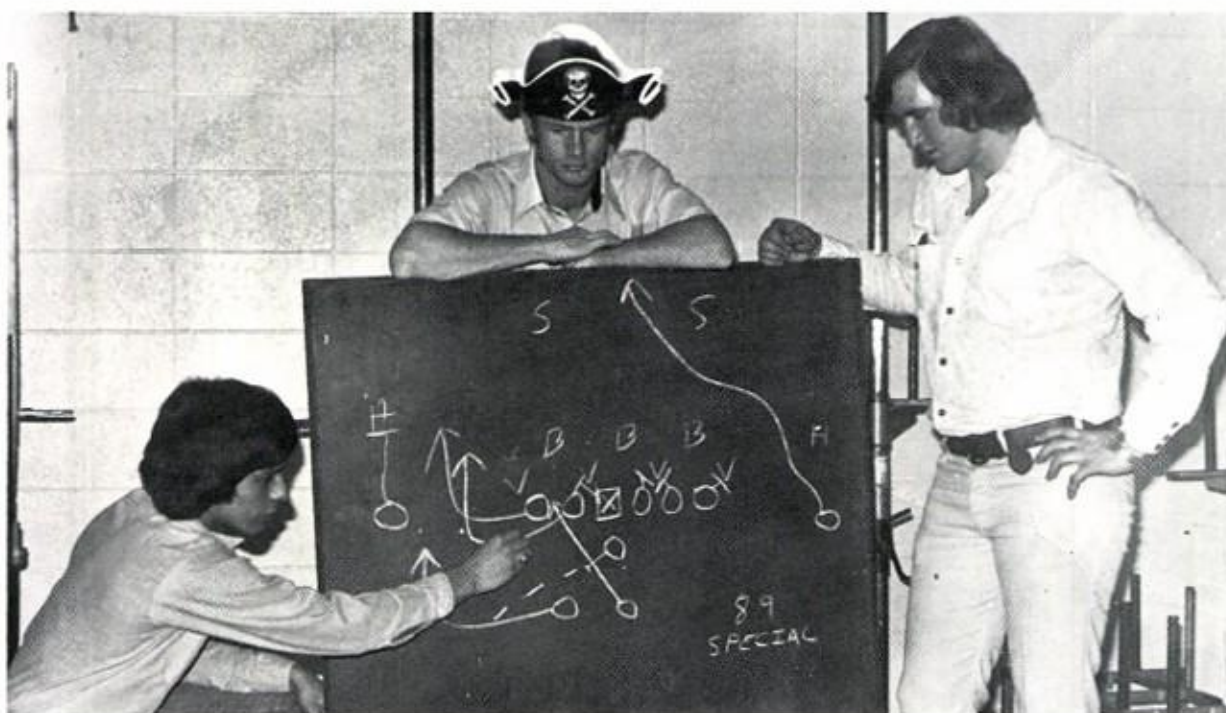

Gomez was honored as Outstanding Defense.

Ted Butts, Donald McLaurin, and Gilbert Montez were selected as football captains.

Vicki Hasty, Meta Stephenson, Peggy Baker and LoAnn Phillips were honored as varsity Maiden captains. Ted Butts and Charlie Warren were picked as varsity basketball captains.

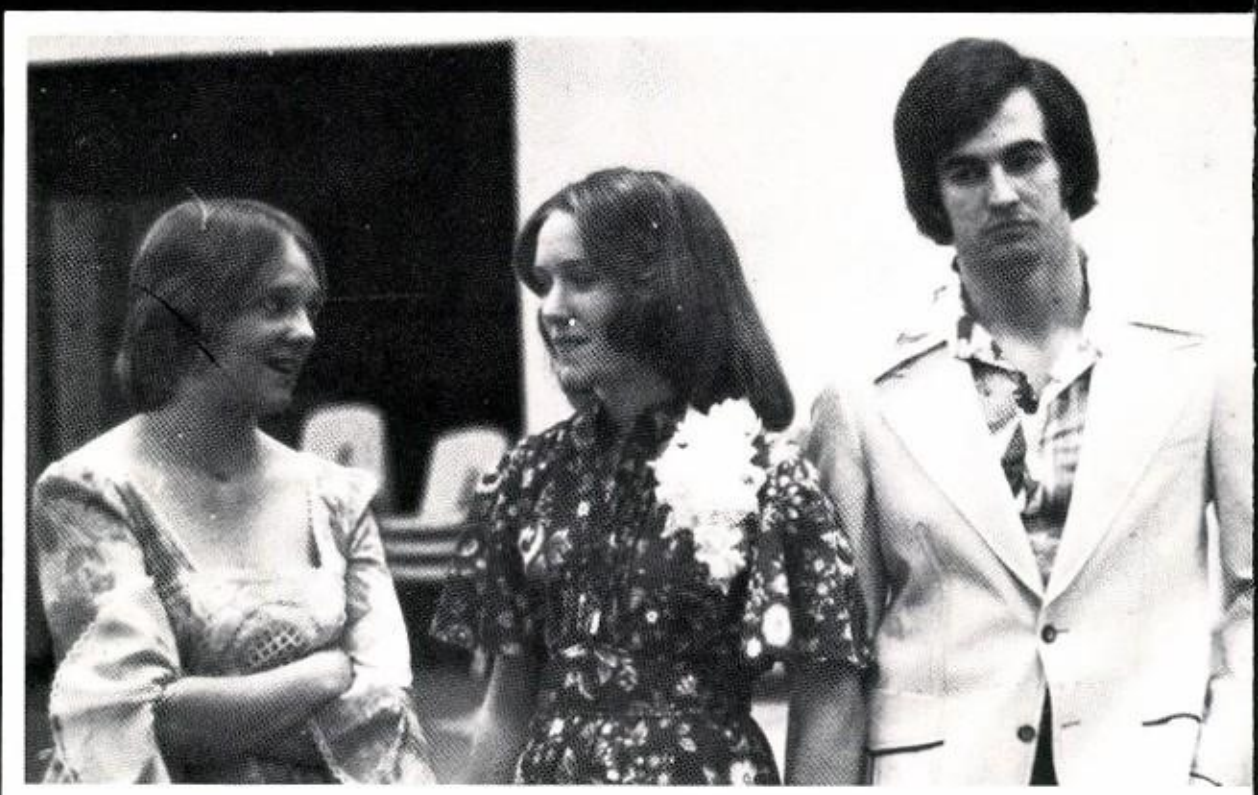

Another very important award is the Nathan's award which is given in the spirit of community appreciation for outstanding achievement in athletics. This year Donald McLaurin was the recipient of this award. Vicki Hasty was picked for the Nathan's award in girl's basketball.

Who's Who

Mr. and Miss L.V. Crowned, Best All Around Selected

Mr. and Miss Lake View, Vickie Hasty and Gilbert Montez, received the highest honors at the coronation. As Miss Lake View, Vickie also participates in varsity basketball, student council and is a varsity cheerleader. Gilbert, who holds the title of Mr. Lake View, participates in varsity football, and honor society.

Honored as Best All-Around were Shelly Simpson and Dirk Lykins. Shelly is involved in varsity basketball, student council, and is also a varsity cheerleader. Dirk, spends most of his time concentrating on varsity football and track.

Most Likely to Succeed, Senior Favorites Elected

Success is for those who reach for it, and Carrie Book along with Tom Johnson have a head start for they were elected Most Likely to Succeed. Carrie is a future homemaker, with honors as a dress-maker.

Tim is involved with various aspects in Band and is also active in PTA.

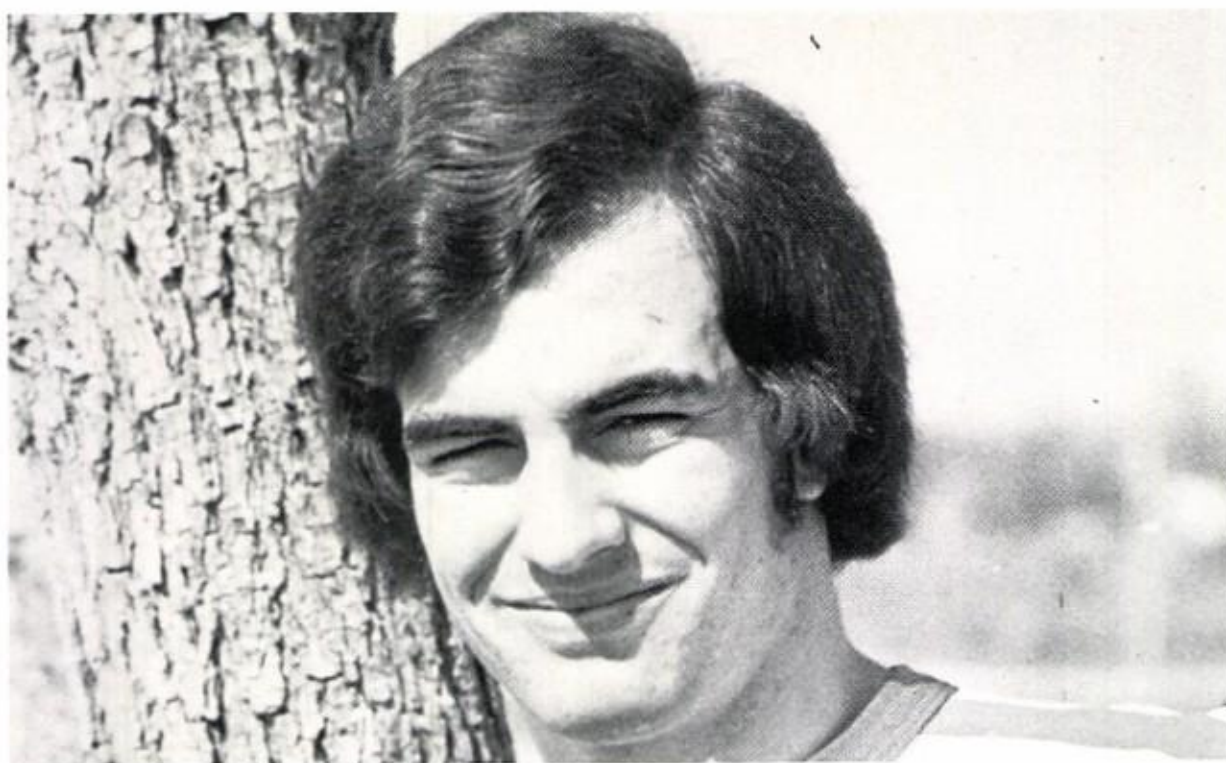

Favorite elects are always a big honor for those chosen and the senior favorites, Arietta Wilson and Daniel Baker, know what it means.

Arietta is busy in yearbook class, being classes editor, while Daniel is busy playing varsity football and basketball.

Junior Class Reps Named, Soph. Favorites Elected

Favorites are elected by popular vote in each class. Topping the ballots in the Junior Class were Debbie Spencer and Mike Self. Debbie displays spirit by participating in Chiefettes. She is also working on the Chieftain Staff. Mike devotes his time and ability to the varsity Chiefs squad. He also works in student council and the Chieftain Staff.

Valrie Hasty and Lynn Cauley represent the sophomore class. Valerie is a varsity cheerleader, and is on the Maidens J.V. squad. Lynn, participates in J.V. football and basketball.

Last Year Is Climax

The Senior year is the climax of 12 years of formal education. It is the apex, the high point - the beginning or end, depending on your view point.

What is it like to a Senior?

"Well it is good some days and bad other days," said Frank White.

Valerie Tillery had an optimistic attitude when she replied, "It's the end of some really good times, but the beginning of a lot more."

Mignon Dansby decided that, "We're finally the leaders of the school."

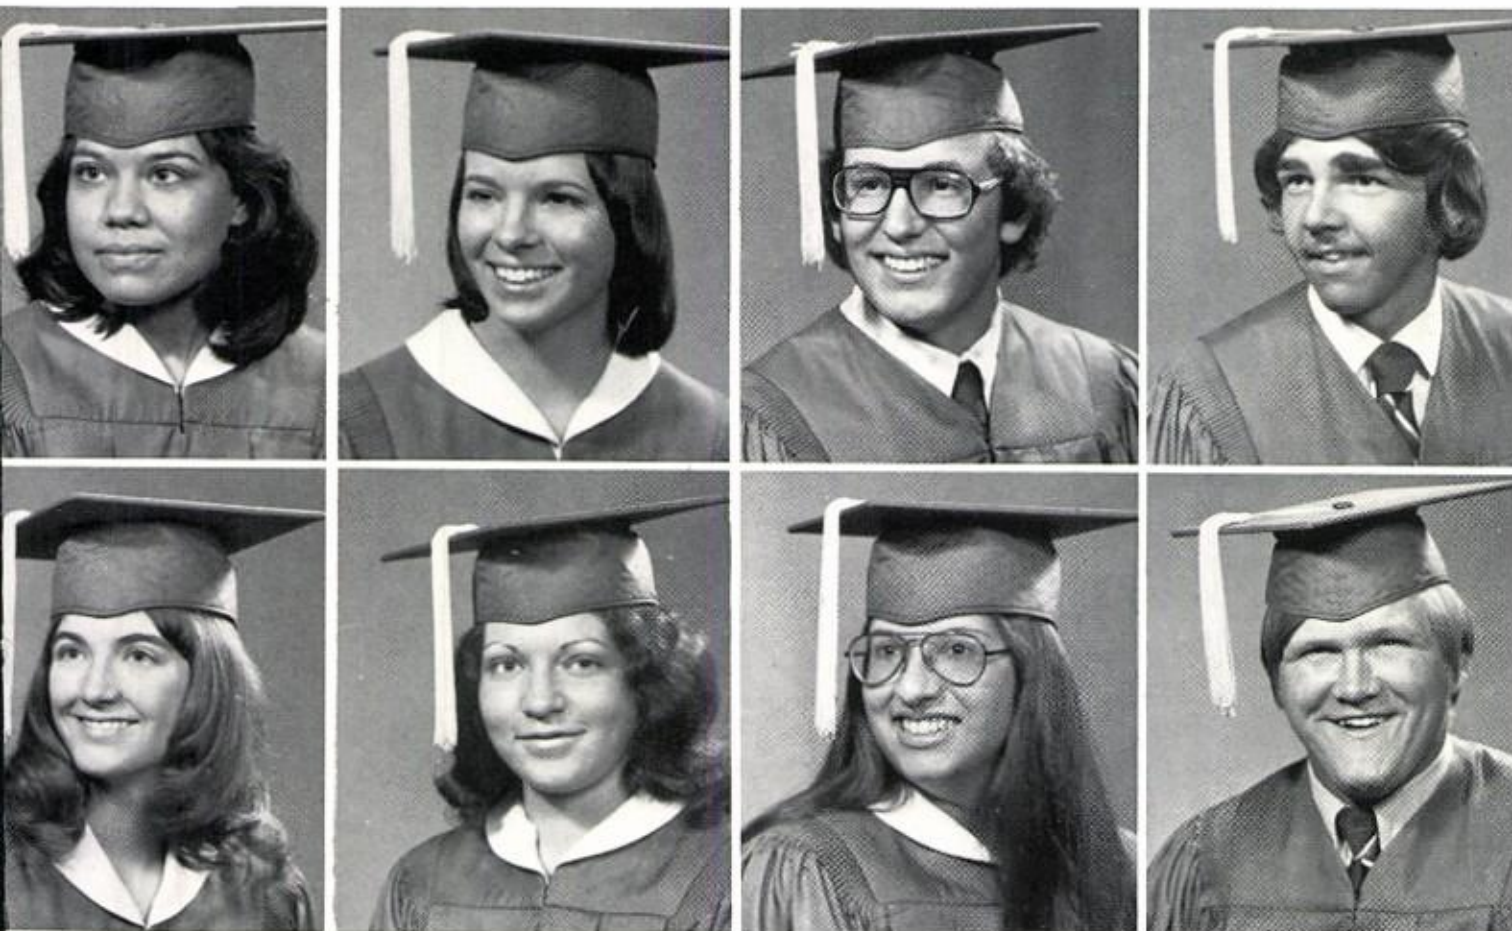

Peggy Baker had two thoughts when asked. She said, "Being a senior is fantastic, but in a way it's really scary."

Gilbert Montez said, "It is an end of one life, but the starting of another."

Arietta Wilson decided that being a senior was just, "PURE HEAVEN!"

Whatever the response, being a Senior is an unique experience. The Seniors will look back on this year and remember both the good times and the bad times. We have finally reached our goal that we have strived for for 12 years. It is the end of one life and the beginning of a new one.

What Is A Junior?

"A Junior is someone who has almost made it to the top, but still has a long way to go and a lot to learn." -

M. Little, '77

"Juniors are the third step up the ladder." -

J. Amburn, '77

"Being a Junior is knowing that tomorrow will be even better than today." -

J. Lancaster, '77

"Juniors are full of wit and humor because they are the ones of tomorrow that have to keep America laughing." -

S. Penfield, '77

"Being a Junior is being the backbone of the school." -

P. Doss, '77

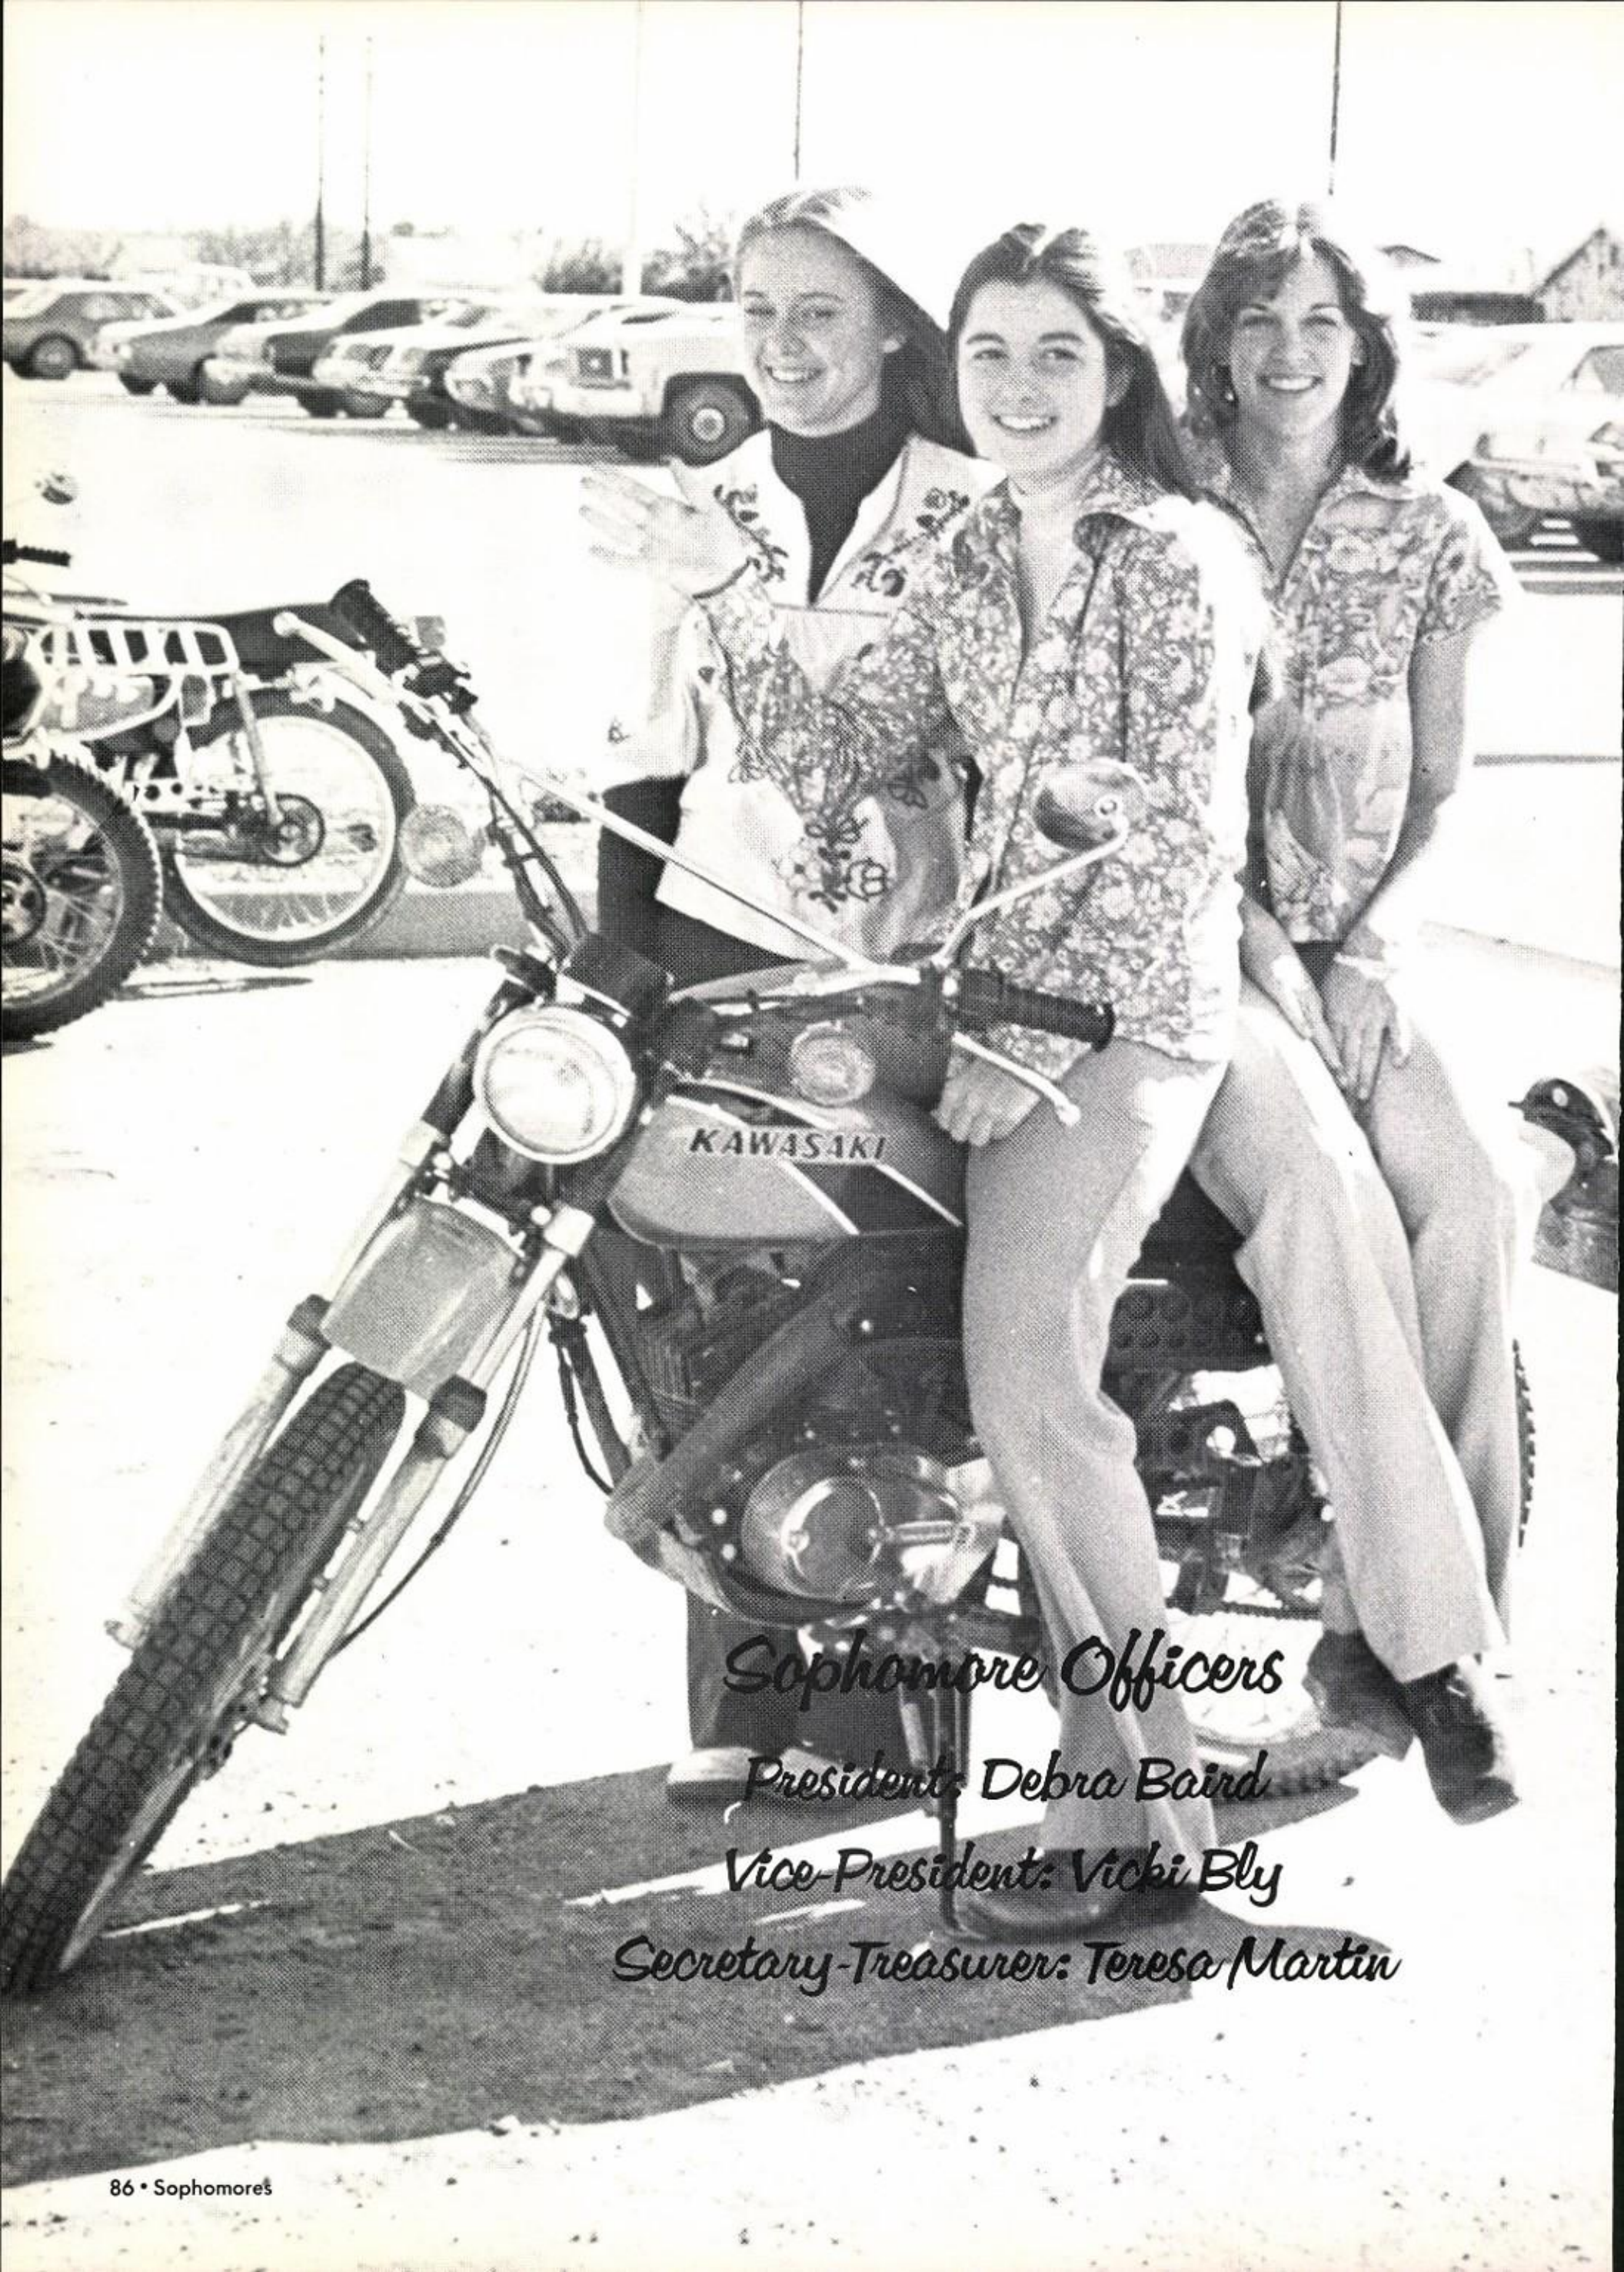

"We are tomorrow's graduates, tomorrow's leaders. A vision of hope, the future dreams of salvation's glory. To all the world a guiding light for the purity of freedom flight." -

A. D. L., '77

Lake View Shuts Out K'ville

The Chiefs started one of their best seasons in 15 years with a victory over Kerrville, 33-0.

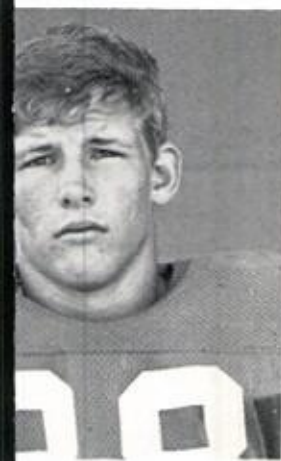

The Chiefs demonstrated both a powerful offense and defense as they rolled up 347 yards. The Antlers were stunned and could accumulate no more than 87 yards. Two interceptions were picked off by safety, Zane Shipman.

The second non-district game was played in Burleson on a Saturday afternoon. The Chiefs again came back with a shutout of 20-0.

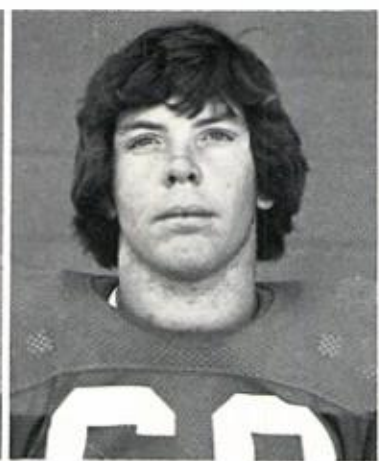

Lake View was belted under with penalties as they racked up a 100 yards worth of penalties. The Chiefs gathered 279 yards, 199 on the ground while the Elks only managed 127. Ted Butts carried the ball 23 times for 91 yards and John Maberry added 86 yards with 14 carries.

The Chiefs' defense was outstanding as they blocked two goal line attempts in the Ozona-Lake View game to bring back another victory of 20-12.

Lake View and Ector rolled up 11 first downs. The Chiefs led in yards rushing with 166 and Ector rushed for 11. Ector completely overtook the Chiefs in yards passing with 234 yards.

Tribe Overcomes Ozona 13-0

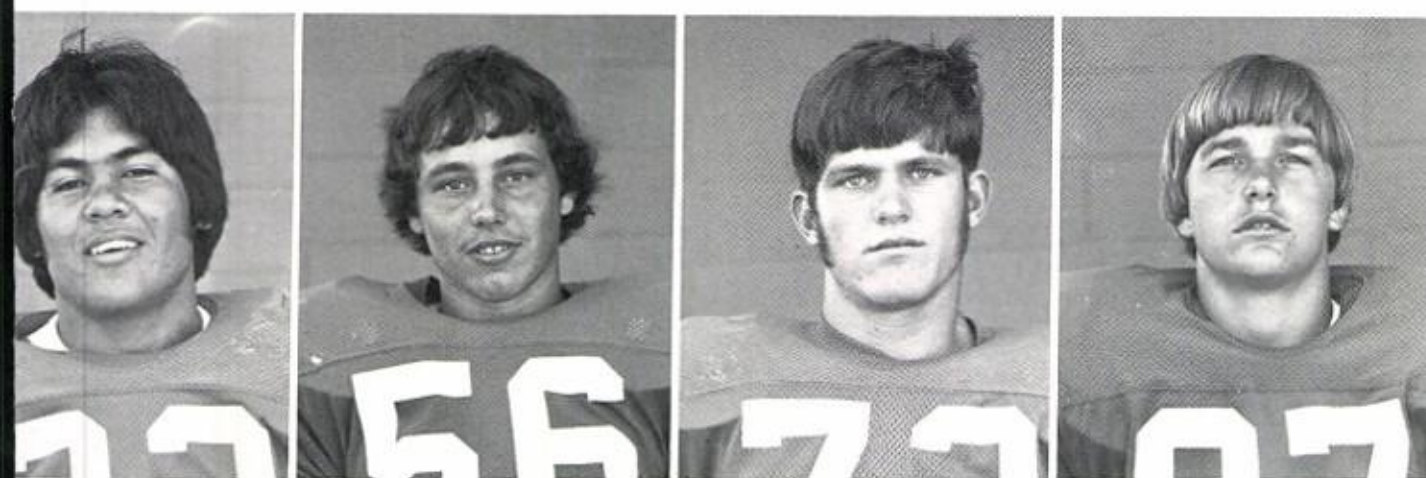

Downs S'water in Loop Play

The fourth game of the season saw the Chiefs hosting the Ozona Lions at Lake View. Another shutout was added to the Chiefs statistics as they took Ozona 13-0.

Although the Chiefs did not put as much power and force into this game they led the Lions statistically and scorewise. The LV defense was the real winner of this game as they held off all Ozona attempts, while L.V.'s offense took a little rest.

And then came district as Lake View prepared for Homecoming along with the game against the Sweetwater Mustangs. The night saw two victories as the Homecoming Queen was crowned and the Chiefs added their fourth straight shutout for the season by toppling the Mustangs 34-0.

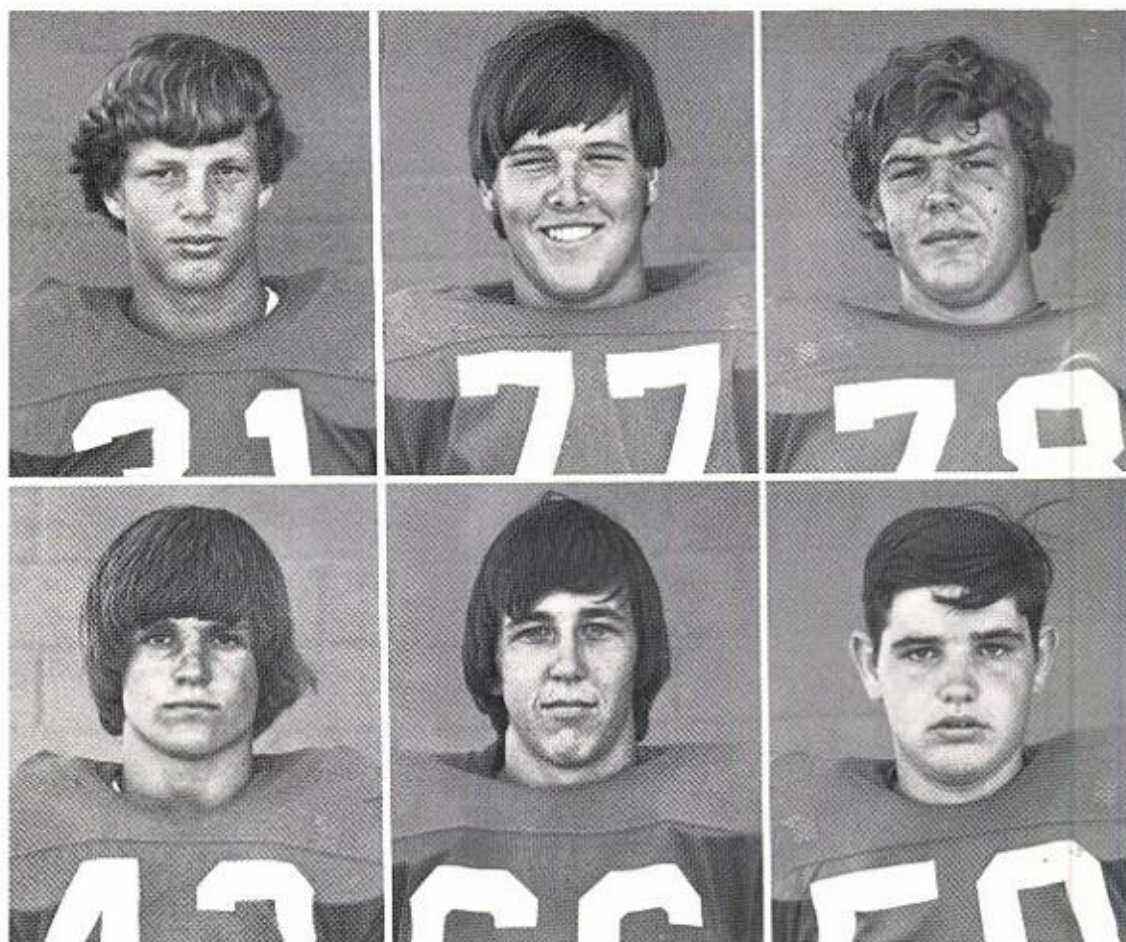

The Chiefs gave their 4,000 attending fans something else to cheer about by gaining a total of 308 yards, 185 rushing and 123 passing and they allowed the Mustangs only 144 total yards - 30 rushing and 174 passing.

Tribe Blanks Lamesa 33-0, Sneaks by Snyder 21-19

In the second district game of the season the Chiefs blanked the Lamesa Tornadoes 33-0 for another season shutout. The Chiefs again showed an outstanding defense as they held Lamesa to only six first downs to the Chiefs' 26. The Chiefs also picked up four fumbles from the Tornadoes, while only losing one themselves.

Gilbert Montez passed for 124 yards and hit 10 out of 17 attempts for a record high for the year.

In the seventh season game and the third district game the Chiefs rounded up perhaps the most devastating game of the season. The Chiefs fought a hard battle for their win over the Snyder Tigers. After the 20-0 beating the Chiefs took last year they were ready for revenge. The Tigers didn't make it easy, as the score ended up Lake View 21 and Snyder 19.

The Chiefs took advantage of the Tigers on the first play as they marched 77 yards for the first touchdown. This set the pace for the rest of the game as the fans watched both teams battle back and forth for the possession of the ball.

Overpowers Chiefs 20-7

Estacado Deflates District Hopes

Lake View Chiefs were after a win October 23 when they rolled over Dunbar 14-0, making their sixth straight shut-out.

The Chiefs ended up with 219 yards rushing and Dunbar came up with 177 yards rushing.

The Chiefs went into the Brownfield game with a grand air of confidence and came out slightly deflated. The Chiefs seemed to take this winning streak for granted as the Cubs pressed hard for a victory.

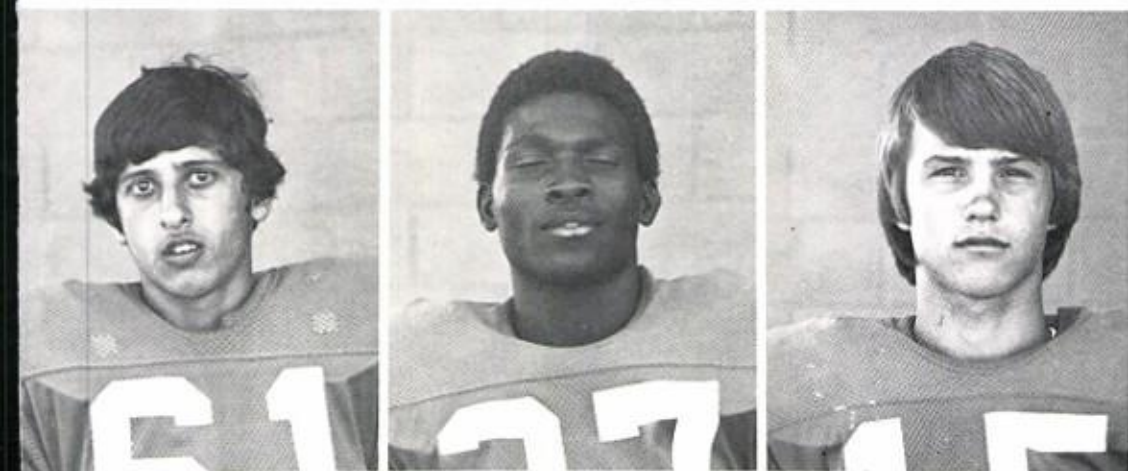

The first quarter was held scoreless as both teams' defense played well. Mid-way through the second quarter John Maberry broke through for a 75 yard touchdown. The Cubs then took advantage of a 45-yard pass and a two point conversion making the score 8-7, in favor of the Cubs.

Late in the last quarter the Chiefs took on another seven points, making the score 13-8.

The disappointment of the Brownfield game seemed to set the mood for the final game with Estacado. The district play-off was a sell out before it started.

Estacado really didn't out-class Lake View statistically. Estacado had only seven first downs to Lake View's Eleven. They rushed 185 yards to Lake View's 121.

The Chiefs had everything going for them - the ability, the determination, and the backing of the fans. It would have been the first district crown in 14 years, but it just didn't happen. The score: Estacado 20 - Lake View 7.

4-4 Mark

The Chiefs Junior Varsity team came up with a 4-4 record for 1975. The J.V. won against Sweetwater's J.V. 21-6 as Dwane Walker, Lynn Cauley, Greg Priddy, and Ronnie Fickling put the Chiefs' points on the scoreboard.

Another win for the J.V. came with little ease in a close 7-0 score over Sonora's J.V.

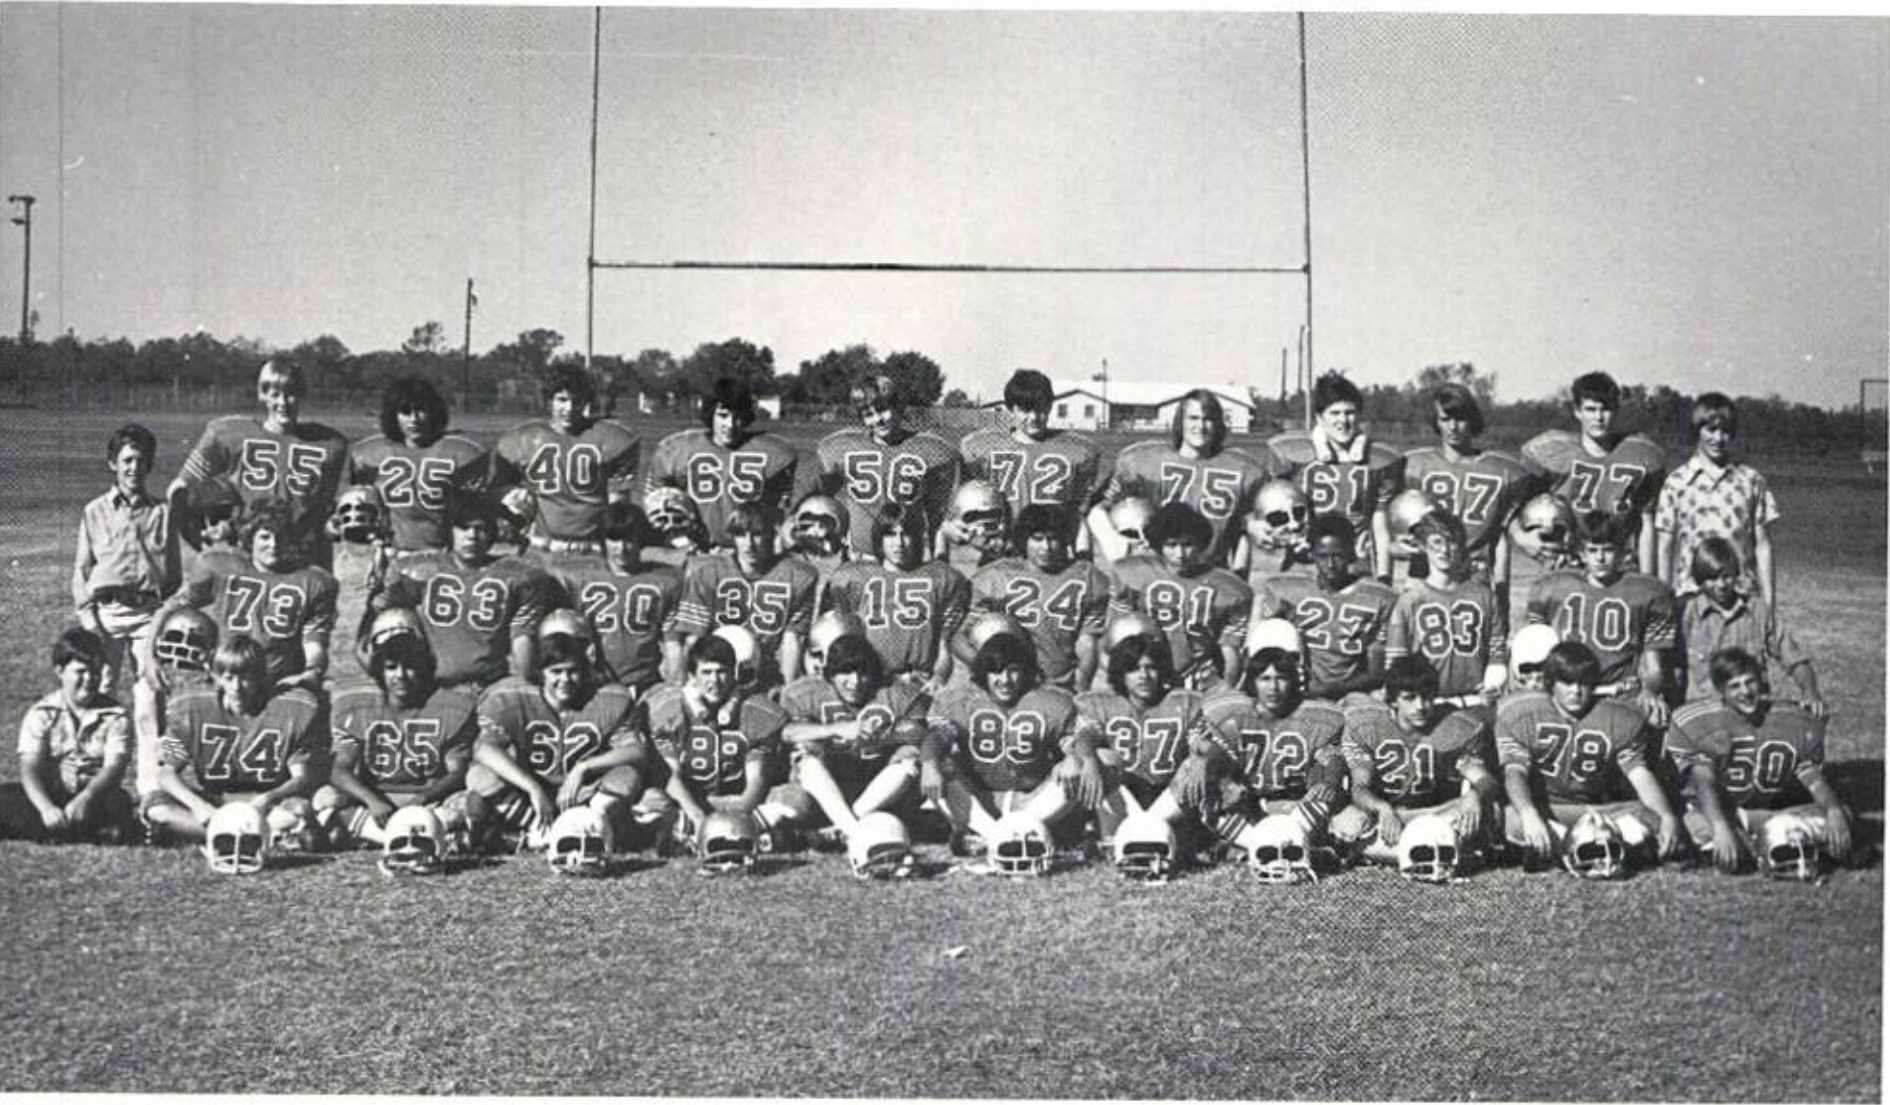

One of the Chiefs' major losses was against Snyder in a 28-2 decision. The Chiefs handled the ball well at times, but just couldn't seem to puncture the Snyder drive.

The Freshman team's record for '75 was 1-7-1. Two of the biggest losses for them were to the Glenn Raiders at 36-7 and to Edison in a 27-12 decision.

Leaders Devote Long Hours

"Three triple A all the way" - one of the main victory chants the Varsity cheerleaders led as the 1975 Chiefs produced one of their best years ever.

Even when the going is tough these six girls keep the spirit up and the action going as they remind us all of the pride we share for the Chiefs.

Starting in June by attending cheerleading school in Cisco these girls practiced daily working on precision movements.

Endless hours of routines and practices produce both the well known yells and chants along with some new additions which keep the crowd going and the spirit up.

J.V.; Frosh Add Touch

The spirit-builders of the junior varsity strive to boost their team on to victory. These three girls work hard both on and off the field supporting their team.

The freshman cheerleaders also add their touch of spirit and pride as they face an even harder task of backing the newest members of the Chieftain squad in a new setting.

Both J.V. and Freshman cheerleaders add that special touch of pride that is needed to back a team 100 percent.

Abilene Downs Chiefs In First Two Outings

The first game of the season was played against Abilene Christian. The Chiefs were outscored in all four quarters ending up with a score of Lake View Chiefs 38, Abilene Christian 45.

The Chiefs then traveled to Abilene, but the Abilene team again came out on top. Both teams topped their scoring from the previous game with the final score ending up Chiefs 43 - Abilene 56.

A decisive win was in store for the Chiefs as they tallied up 84 points to Ballinger's 57.

Chiefs Capture Ozona Tourney

A close game was played between Ozona and Lake View in the Lake View gym as the Chiefs outscored Ozona in all quarters but the first. It seems as though the first quarter was the deciding

factor as Ozona slipped by the Chiefs 43-39.

The Chiefs didn't quite take to the small margin win by Ozona, for they came back in the Ozona Tournament to beat Ozona 56-41 and to take the first place honors in the tournament also. On their way to the championship they defeated Brady 55-51, Ballinger 60-58, and Wall 55-52. Ted Butts received the Most Valuable

Player award and Levi Cauley was selected to the All-Tournament Team.

District Action Tough

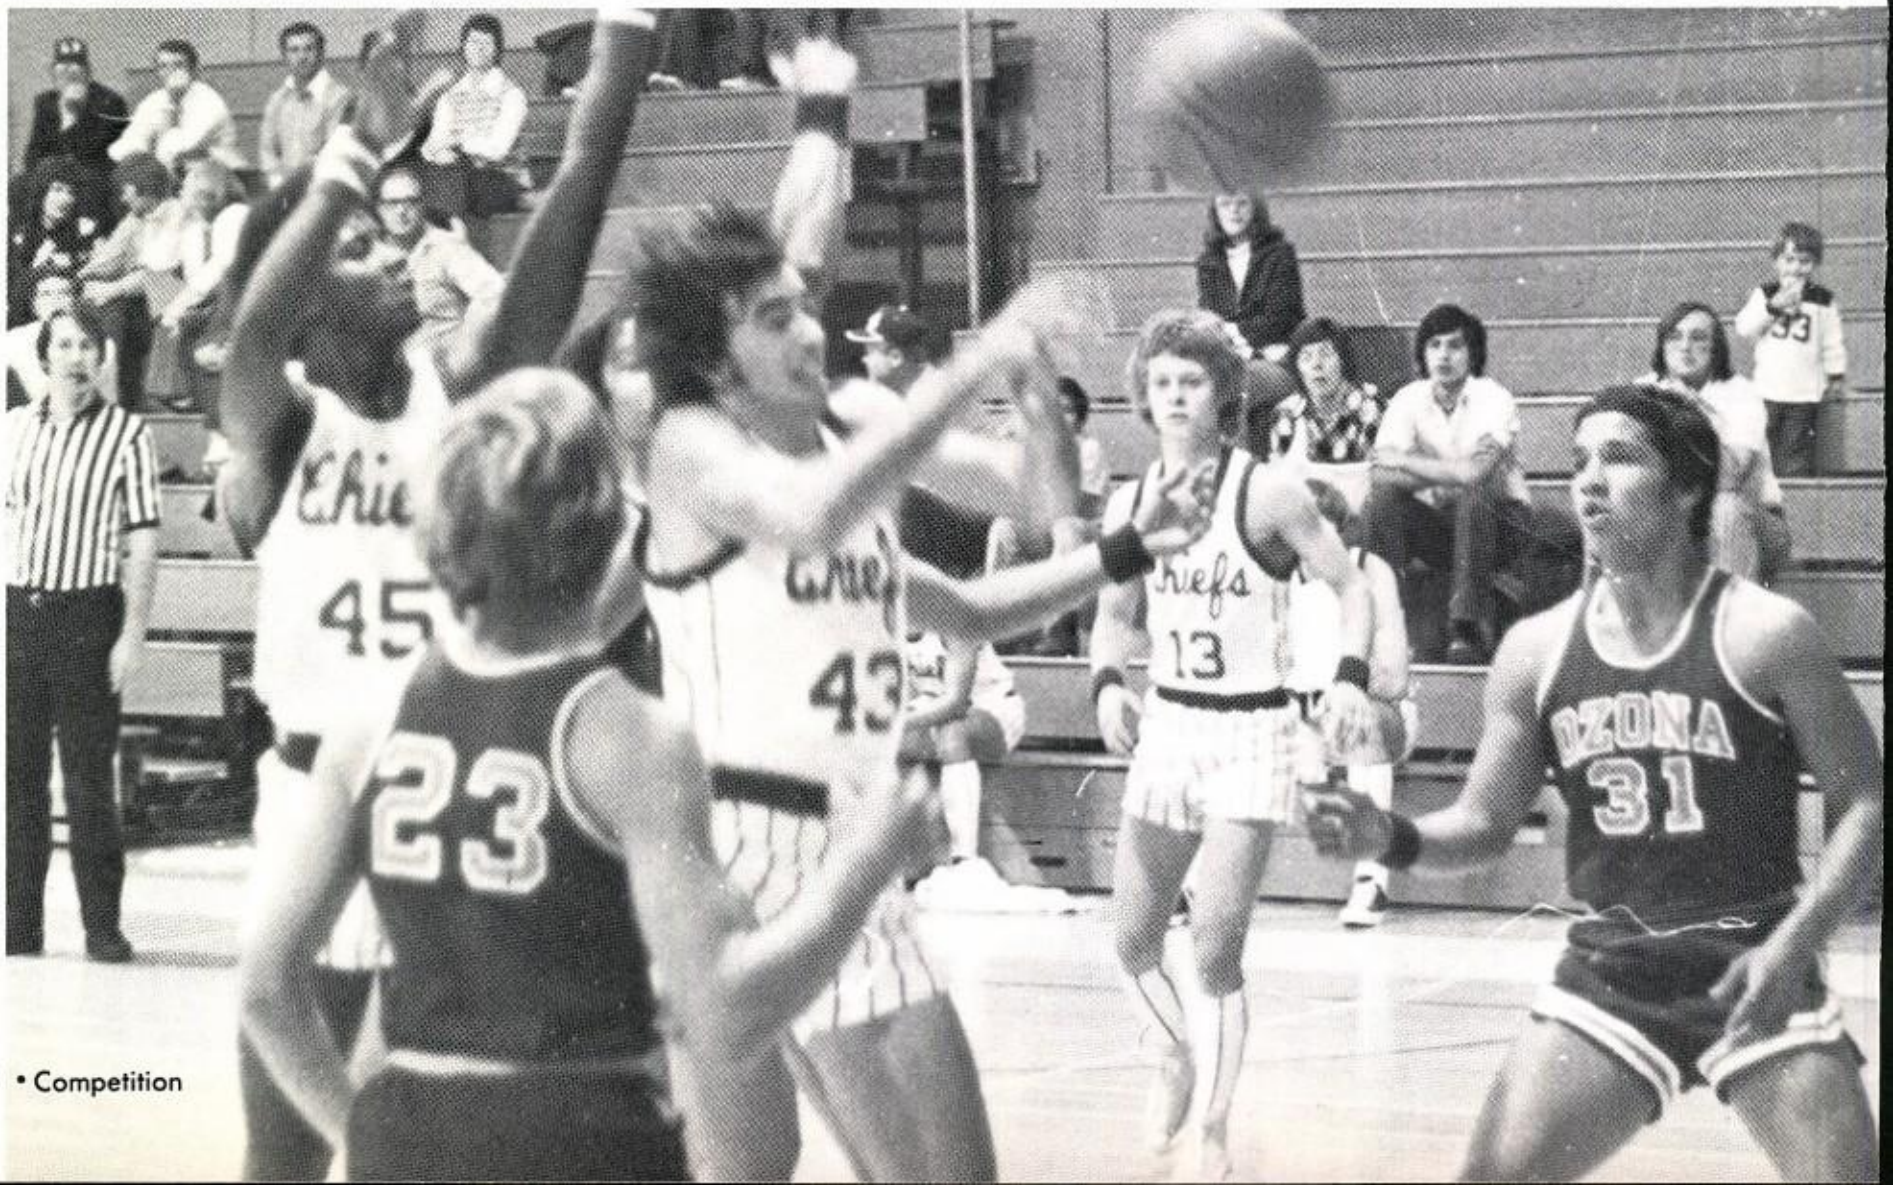

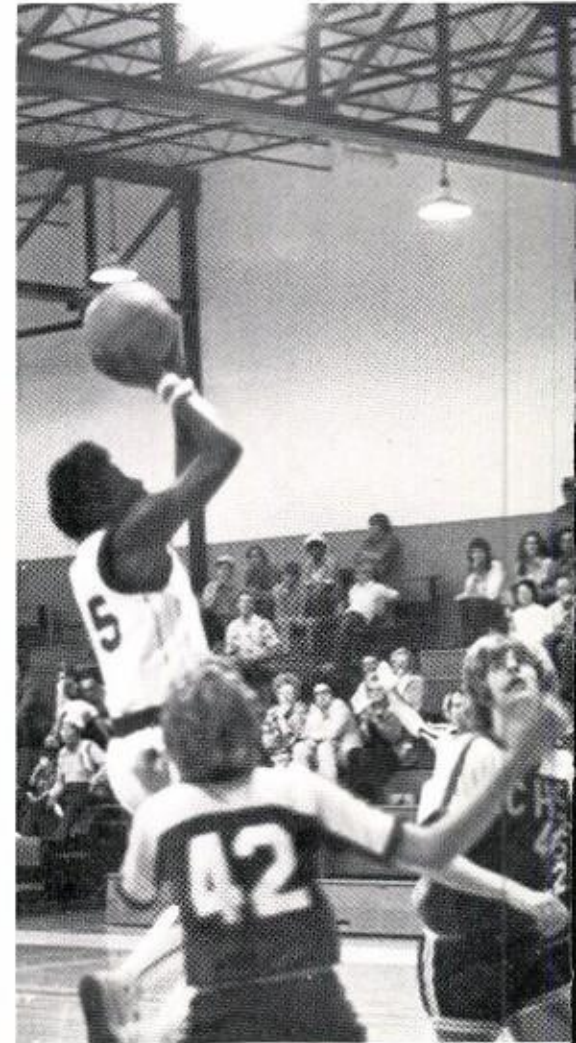

The first district game was played against Sweetwater. The Mustangs overcame the Chiefs 63-58. Ted Butts was the leading scorer with 16 points and Levi Cauley followed up with 15 points.

The next game was with Crane at the Crane Tournament. Lake View lost to Crane 60-47 and then was scheduled to play the Crane JV. The Big Blue Crew defeated them 73-32 and went on to beat Big Lake by a score of 57-54 to capture the 3rd place trophy.

Another district game was played against Dunbar in the Lake View gym. Although the Chiefs gave it a good try, the Panthers outplayed the Chiefs and ended the game Lake View 36, Dunbar 62.

Snyder was up next in district action and again the Chiefs took a hard fall as the Tigers downed the Chiefs 73-39. Ted Butts took the top scorer title with 11 points while Charlie Warren followed with 8 points.

Lamesa surprised the Chiefs with a four point win over the Chiefs - 56-62.

Chiefs Downed in Dist. Play

Lamesa Golden Tornadoes, defending state class 3A champions, came to Chief Gym looking to hand the Chiefs their fourth district loss. And although the Chiefs managed to tie the score at halftime, Lamesa hit a hot streak in the second half, and the Chiefs stood at 0-4 in conference action.

After Brownfield, Estacado, and Sweetwater, the Chiefs fell to 0-7 and things looked very dim.

Five games remained and no hope of victory in sight.

The brand of ball the Chiefs were playing was very good, but the competition in district 3-3A was just too much for them.

They dropped the final five and finished district action without a victory, but hopes for a promising next year.

JV Takes 11-7 Season Mark

In a season held together on last second shots and overtimes, the Chief Junior Varsity defeated each of their opponents at least once.

The young Chiefs overcame their weakness in height with speed and quickness to outmaneuver their opponents to a 11-7 season.

In an early season game the Chiefs were down by one point when Gregg Priddy fired a desperation shot from three-quarter court to pull the Chiefs through for a victory over the Sweetwater Mustangs.

When the clock tolled for the end of the home game against Lubbock Estacado, the fans realized no one had won.

So, the ball was tossed up once more and overtime began. At the sound of the overtime clock, a winner had prevailed, the Chief JV, by seven.

Through a near fruitless effort the Freshman team was faced by many dauntless opponents.

The young Chiefs faced all their cross-town opponents four times in regular play, and then again in the two city-wide tournaments.

The season started with two separate teams from each junior high. These teams faced each other twice in all-out competition, then all met in a tournament at Edison to decide the supreme ruler - Glen White.

The Freshman blue captured a consolation trophy in this tournament.

After the divided tournament, the season was half over and took on a new look. The various schools combined their forces to form one squad each.

For the remainder of the season it was stiff competition leading up to the finale, a four team tournament at the Central High gym.

Lake View Freshmen faced Lee in consolation play, and relinquished a seven-point half-time lead to falter 34-31.

Maid's Nab District Honors With Perfect 8-0 Record

A season full of excitement, dreams, hopes, and winning, all came true for the 1975-76 Lake View Maiden basketball team.

Coach Beta Little, in her sixth year as the girls' head coach, led the Maidens to a brilliant 23-6 season record, including a perfect 8-0 mark in district 3-AAA action.

The Maidens proved to be a team with a powerhouse, high scoring offensive unit and a stingy, tough-to-penetrate defense.

The Maidens opened the season

with a bang. They captured two impressive victories over Crane and one over Garden City.

Costly mistakes and several key turnovers proved to be the deciding factor as the Maids dropped their first game to Bronte, 49-39, Nov. 24 in Chief gym.

The Maidens' season included three tournaments; Garden City, Hardin-Simmons, and of course, the Maiden Tourney.

After shellacking Hermleigh, 77-8, in first round action, the Maidens were defeated by hosts Garden City, 38-32. A poor 22% from the charity line for the Maids proved to be the deciding factor.

Rebounding back after their loss to Garden City, the Maids exploded for 21 points in the second quarter to defeat Rankin, 42-30, and captured the Consolation trophy in their first tournament.

Maid's Falter First Tourney But Make Strong Comeback

The always tough Hardin-Simmons University Tournament was the Maids' next action.

First-round play matched the Maidens against defending state 3-AAA champion Midway Waco. A disappointing 74-31 loss put the Maids in the consolation bracket.

They defeated Stamford, 50-34, to keep them alive in the tourney, but a 45-37 loss to Hawley quickly pierced their hopes of a consolation trophy. The best they could do was a second place consolation, as they defeated Coleman, 49-39. The Maiden victory over Coleman proved to be the beginning of a fifteen game winning streak.

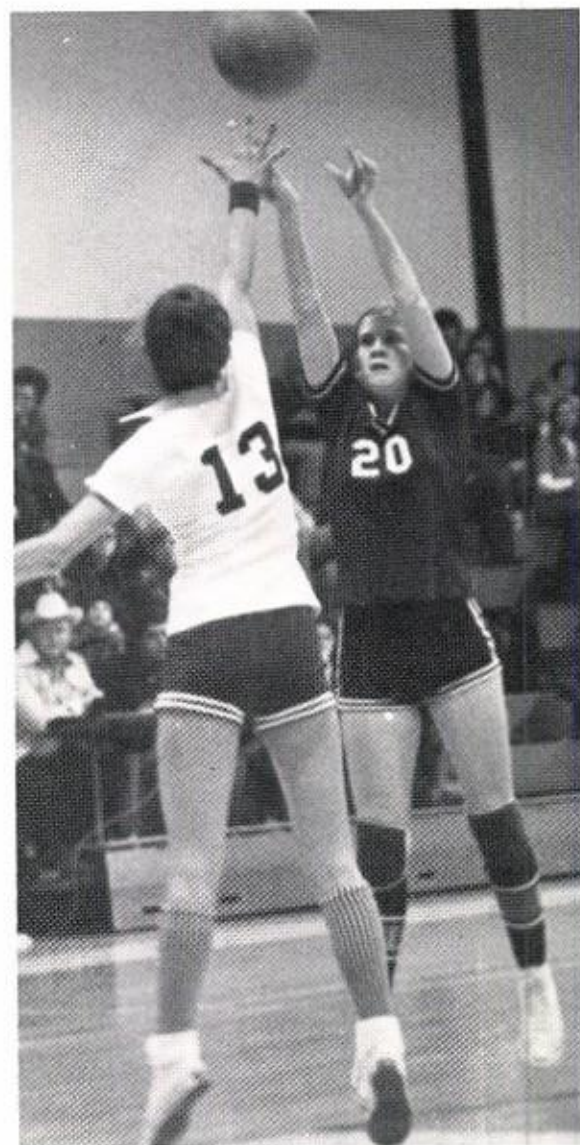

The third and final tournament for the season was the long-awaited 26th Annual Maiden Tournament, Dec. 19-20, in Chief gym.

Ft. Stockton got the chance to

see what the Maids were made of, and the Maidens showed them everything they had in the opening round. A 97-32 victory was the final result as four Maidens hit in double figures.

Eola was next in line in second round action for the Maidens. After leading by only one point at halftime, 21-20, the Maidens advanced over Eola, 53-42.

The stage was set - the Lake View Maidens versus Greenwood for the championship trophy. The Maids captured the trophy, by winning 45-29. Their record was now 13-5, and district action was around the corner and the Maidens were at the peak of their season.

Cagers Storm Past Inexperienced Rivals

It was district time - the fun play was over and it was time to look ahead at a district championship. Snyder and Ft. Stockton were in their first year with the basketball program, and their

inexperience cost them tremendously.

The Maids quickly jumped out to an 18-2 first quarter lead over Snyder, Jan. 6, in Chief gym. They went on to win 69-27, in their first District 3-AAA action.

Loann Phillips paced this attack with 24 points, while Charlotte Dehnel and Terry Munoz had 18 and 10 points, respectively.

Ft. Stockton tried their luck again Jan. 9, but they needed more than "Lady Luck" if they were to pull out a victory, as the Maidens won, 74-28.

Such was the story throughout district action, and it was just a matter of time as to when the Maidens would be crowned as "DISTRICT CHAMPS." On Jan. 30, the Maidens clinched the district championship with an impressive 79-22 victory over Snyder.

The final two games of the regular season upped the Maidens' record to 23-5, with victories over Ft. Stockton and Snyder.

District 3-AAA belonged to the Lake View Maidens.

Maidens Slip in Bi-District Action 58-53

Representing District 4-3A, the Stephenville Honeybees swarmed into Chief gym Feb. 16, to take on the Maidens in bi-district action.

Playing before a packed house, both teams exchanged the lead a total of five times before Stephenville pulled ahead in the final four minutes. They held on to win 58-53.

The Honeybees jumped out to an early 6-2 lead in the opening minutes of the game, but the Maidens quickly struck back and found themselves ahead 16-14, at the close of the initial period.

But Stephenville wasn't to be outdone. With 2:28 left before the half, Stephenville's Donna Christian hit two free throws to give her team a 32-27 lead. But that was all for awhile.

At that point, the Maiden defense stiffened and the offense came through with seven points and the lead belonged to the Maidens at halftime, 34-32.

The third quarter proved to be tighter and closer than the other two. Fouls began to take their toll on both teams, especially Stephenville.

With 2:38 left in the third quarter, and the game tied at 38 apiece, Sue Smith, Stephenville's high point player, committed her fifth and final foul.

The Maidens appeared to be in good shape, but after the third period ended, their lead was down to one.

Starting guard, Shelly Simpson fouled out with 4:36 left, and the Maidens were still one point behind.

From then on it was a free throw match. Stephenville connected on seven for seven from the charity line, while the Maidens missed four straight.

Charlotte Dehnell led all scorers with 29 points and Pattie George added another 10. Loann Phillips had eight, and Peggy Baker had six.

Under the direction of first year Coach, Suzy Hagar, the junior varsity squad had a brilliant season ending up with a 19-1 record, and an 8-0 district mark.

The only loss for the JV team came against the Greenwood varsity unit in the Maiden Tournament.

The Maidens went on to win the consolation trophy in the tournament by defeating two varsity teams.

Sweethearts, Beau Honored At Annual Athletic Banquet

The Football Sweetheart of the Year was chosen by the Varsity Chiefs. Vickie Hasty was honored with this selection. The Varsity Chiefs gave this award to Vicki because she is a spirited backer of Lake View. Vicki is a Varsity Cheerleader and on the Varsity Maidens. She was chosen for her display of leadership and loyalty to Lake View.

Vicki Bly was awarded Basketball Sweetheart this year by the cage group. Vicki received this honor because of her enthusiastic backing of the Chiefs. Vicki is a Junior Varsity Cheerleader and also plays for the Jr. Varsity Maidens.

Terry Taylor was selected Maiden Beau for his vivid support to the Maidens. Terry, charac-

terized by his spirit and loyalty received this honor at the Annual Athletic Banquet.

Tracksters Compete in 8 Meets

Enjoying one of the best track seasons in several years, the Lake View Chiefs managed to surprise many people by bringing home quite a number of honors.

Ten lettermen were the strength of the Chief season. Included in the list were Levi Cauley, Ted Butts, Dirk Lykins, John Mayberry, Kelby Mullins, Rufino Garcia, Charles Warren, Donald McLaurin, Lonnie Benes, and Mike Bozeman.

The Chiefs made a good showing in district, and had quite a number to participate in the regional meet.

The Chiefs competed in meets at Fort Stockton, Sweetwater, Brownwood, Ballinger, Colorado City, the San Angelo Relays, and the Lake View Relays.

Maid's Enter 5 Track Meets

With the district 3-3A basketball championship under their belts, the Lake View Maidens turned their attention to a repeat performance of a championship track title.

Eight returning lettermen proved to be the strength of the

Maiden track team.

Five scheduled meets, which included the season opener at Robert Lee and the first Lake View Boys and Girls Track Meet highlighted the Maidens' season.

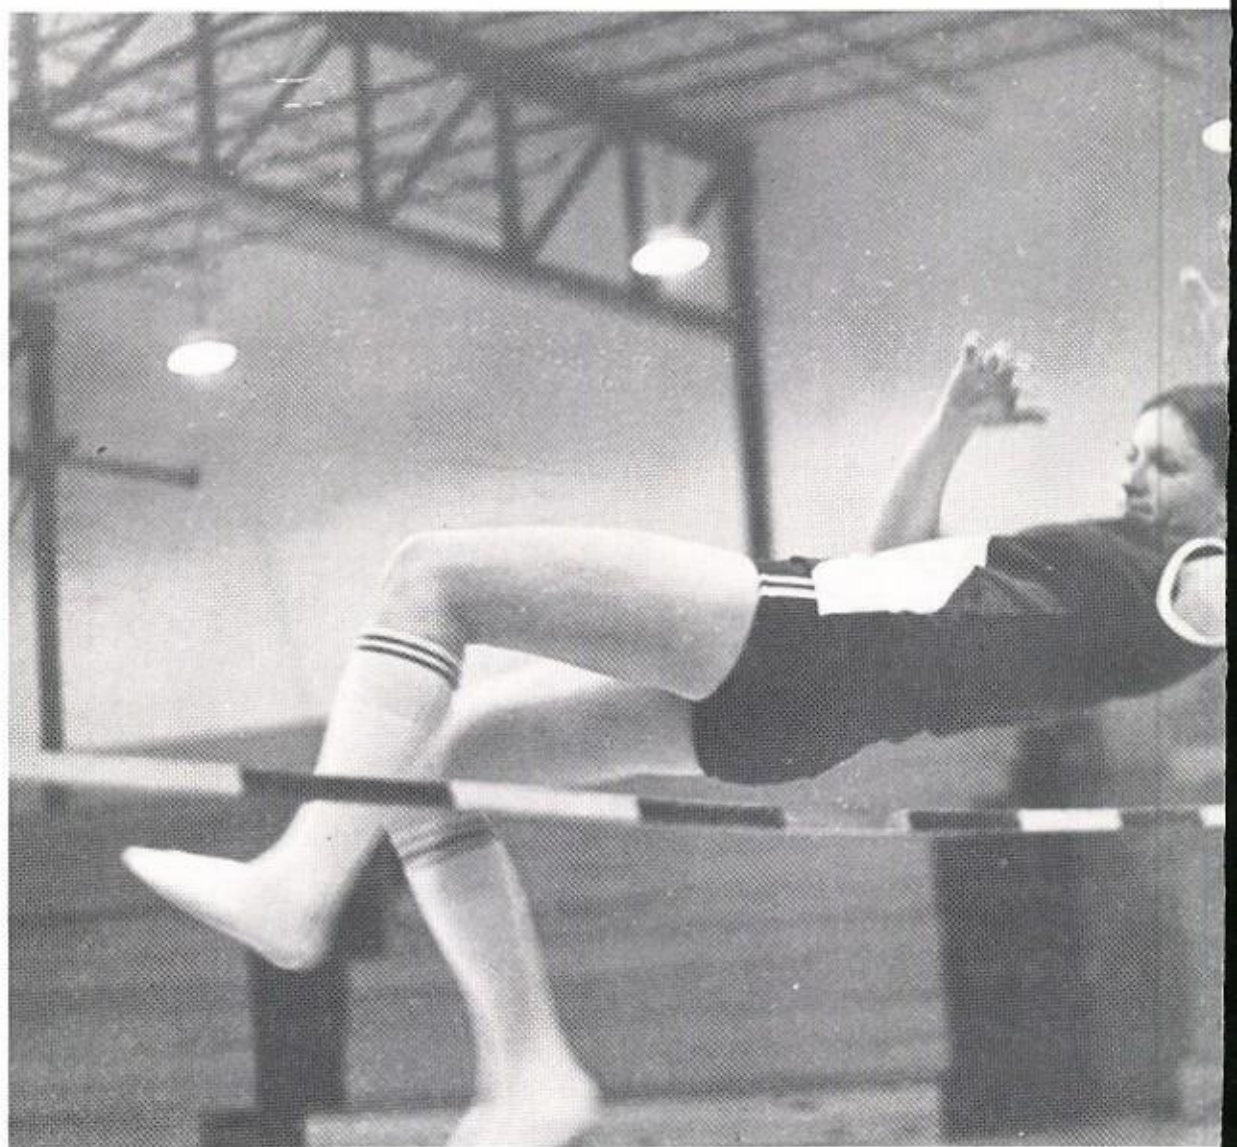

Coahoma, the district meet at Snyder, and the annual Bluebonnet Belle Relays were the other three meets.

English Dept. Puts Emphasis on Grammar

Workbooks work wonders. Extensive grammar exercises designed to eliminate dangling participles and split infinitives were introduced to all levels of English this year producing moans, groans, and agonizing grimaces.

Science, Math Departments Challenge Students' Minds

The science department welcomes two new faces with the new year. Mr. Billy Mikeska, department head, and Mrs. Willene Harlan teach the specifics of biology and chemistry while Mr. James Cobb and Mr. Lewis Barton welcome the freshmen into physical science.

For the brave student there is one more area of science - physics, which can be demanding, but also rewarding.

Whether it's positive or negative, Lake View students can find just the right "attitude" in the math department. Miss Jerry Sebastian tries to convince her classes that math will help them in the future and Mr. W. W. Ogle assures his students that the test won't be that hard. Mr. Herry Horn, Mrs. Frances Renfroe, department head; and Mrs. Kenneth Hemphill complete the math team.

History Reflects Heritage

The History Department, in an effort to help the student body of Lake View reflect on the History of America, took on the job of showing Bicentennial films.

Civics was opened this year with new faces and a different type of teaching for students. Mr. Frank Simpson shocks his students with essay tests while Coach Fenwick and Coach Petrick remain the idol and soul-savers of all.

American History is kept moving and Mr. Cyphers continues his tales of yesteryear. The World History classes led by Billie Evans and Coach Fair discuss world affairs and voice opinions.

History, in all forms is the root of education. It can be found in every subject as a base of that subject. It is both interesting and awing and reflects on the reasons life is as it is.

Food Costs, Deadlines, Hard Work

The sweet aroma of delicious food flows through the halls of Lake View from the Homemaking department. Mrs. Beverly Ward shares the responsibility of Homemaking I and II, while Mrs. Kay Drake has the added duty of teaching high school students how to price food and how to rent apartments in Social Living.

Mrs. Imogene Buck heads the art department and stresses that each student strive for individuality in his work.

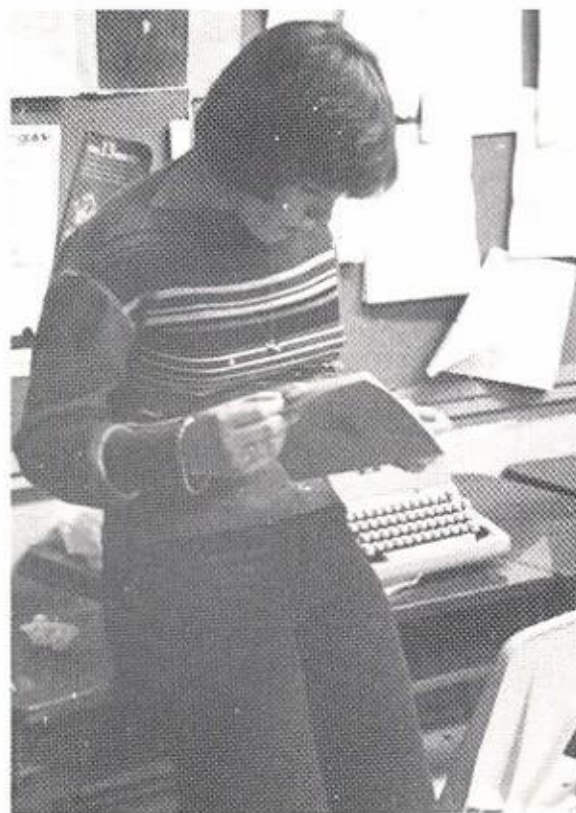

Their work includes decorations for any club or school activity that comes up. The art classes never really have time to play, but they all enjoy their work.

Deadlines are the main objective in the journalism department which includes both the Pow Wow and Yearbook. The students work diligently to meet the weekly deadlines in the Pow Wow and the four deadlines for the Yearbook.

Both publications have been rewarded in their efforts by winning numerous state and regional awards.

Individuality Found In Speech, Music

A note, a chord, an expression . . . these are the sounds of the Music and Speech departments.

These departments are gardens of talent and individuality for

those who want to pursue these areas.

Music comes to Lake View in two forms, through its singing and playing abilities.

The Band performs interesting half-time shows and participates in contests throughout the year.

The Choir is the other music department and its melody of music can be heard throughout the halls. The Choir also participates in contest work and special programs throughout the year. Mr. Curt Christiansen directs both band and choir.

Speech and Drama activities range from Speech Tournaments to Drama plays to T.V. shows. Mr. Frank White, instructor works with students in University Interscholastic League competition, consistently bringing home honor trophies.

A Bounce, A Serve — P.E. Exerts Energy

Physical Education and Health contain the physical aspects of teaching. Both teach the importance of keeping a healthy body; although, P.E. is perhaps more strenuous on the body than health.

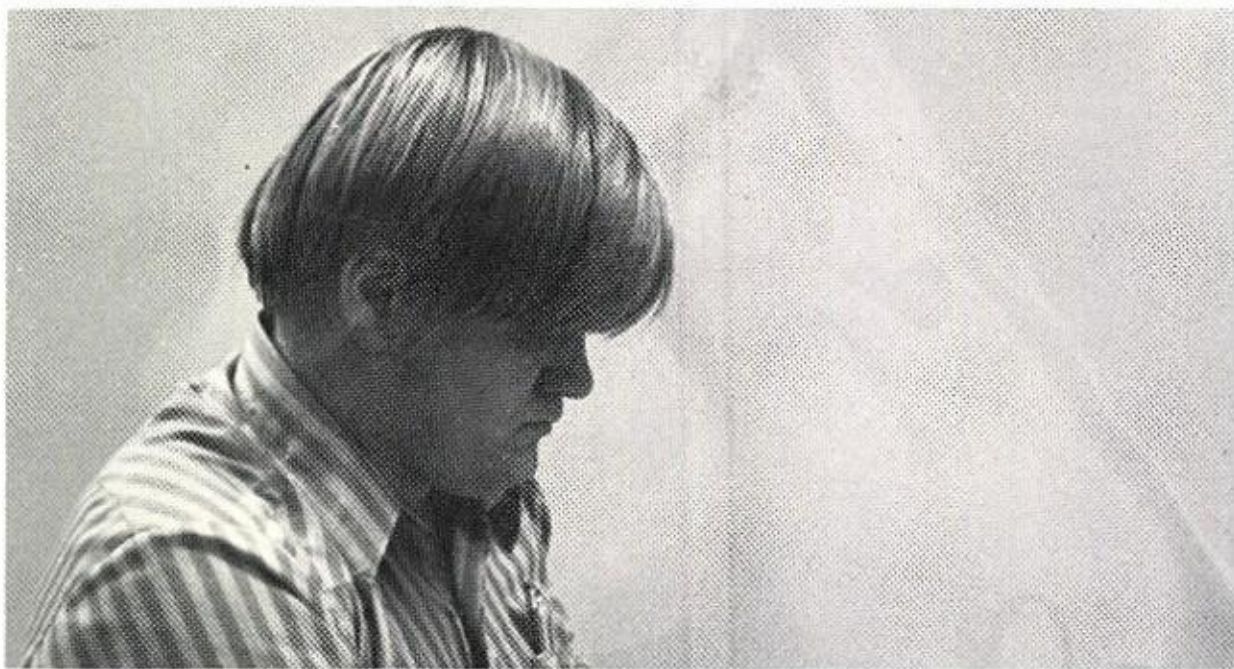

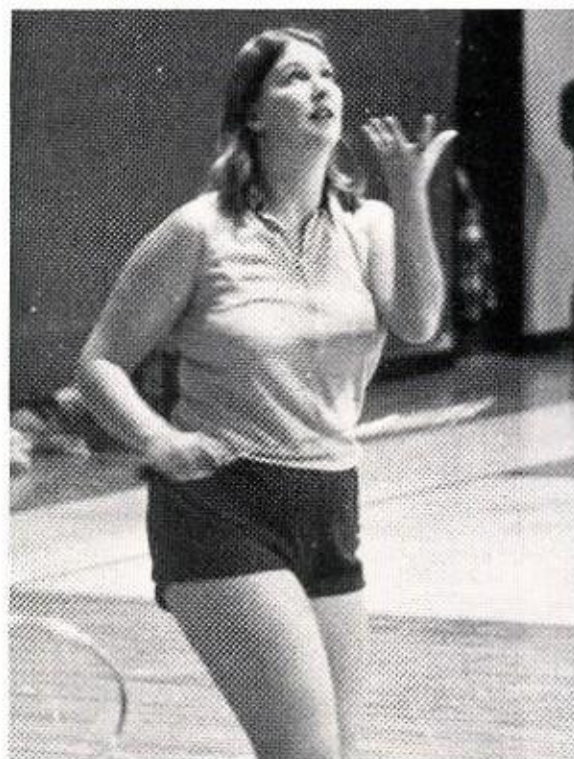

Coach Jim Slaughter teaches the basics of tennis and volleyball to his advanced P.E. classes, while Coaches Buster Barnes and Jerry Horn gather the boys P.E. for a quick, often hazardous game of flag football.

Over in the girls P.E. department, Coaches Beta Little and Suzy Hagar, a newcomer, help to slenderize many an unwilling girl.

Health, on the other hand, asks more from the brain than the body. Students learn what they are made of and how to take care of it.

If you need or want any

information from books or films you can always turn to audio-visual director, Coach Tommy Fambrough or librarian Billie Eckles. They are always ready and waiting to provide any information needed.

Business, Vocational Trains for Careers

A student can find many opportunities to prepare himself for the future taking any one of the business training courses offered at Lake View.

Among the courses are Typing I and II, Shorthand, Distributive Education, Vocational Office Education, Apparels and Furnishings, and Cooperative Vocational Academic Education.

A person walking down the hall can hear the constant pecking on typewriters. Looking outside during the morning one may find many D.E.C.A. students leaving to sell ads or gather toys, food and clothes for their Christmas donations.

Vocational Training Offered

If you're not afraid to work and you're looking for an opportunity to learn a lasting trade then any Vocational class - agriculture, printing, small engine repair, mechanical or constructional trades, is where you should look.

These classes offer a chance for the student to choose the training he wants and to excel in his or her chosen area.

Over half of the students participate in one of these areas. Benjamin Franklin knew the importance of work when he said, "He that hath a trade, hath an estate."

School Board Debates \$6.8 Million Bond Issue

The strength of a school system lies first of all in its school board. The constitutionality of school fees which yearly provides some \$100,000 in funds for the school system was questioned in the attorney general's ruling, early in the fall.

In the spring, voters decided the fate of a \$6.8 million bond issue. The school board visited each elementary, junior high and senior high for two years prior to determine individual needs before issuing the bond.

These seven school trustees along with Dr. Jim Nevins, superintendent provide the backbone of the San Angelo Independent School District, long recognized as a progressive and innovative school system.

Mr. Duckworth Stays On Top of Happenings

When you hear rumors of problems throughout the school and then they disappear suddenly; do you often wonder what happened to that problem? Well, you can bet that one of two things is hap-

pening. Mr. Herschel Duckworth has either solved the problem or he has the problem well under control.

Mr. Duckworth as Principal of Lake View is the man who receives the majority of the problems of Lake View and proceeds to solve them. The problems never cease and neither does Mr. Duckworth's job.

Both as a dedicated and hard-working principal, Mr. Duckworth maintains a smoothly running school.

PAGE 169. TOP LEFT: Students listen closely as Mr. Duckworth gives pep talk. BOTTOM LEFT: Mr. Duckworth tells it like it is. TOP RIGHT: Mr. Duckworth encourages students.

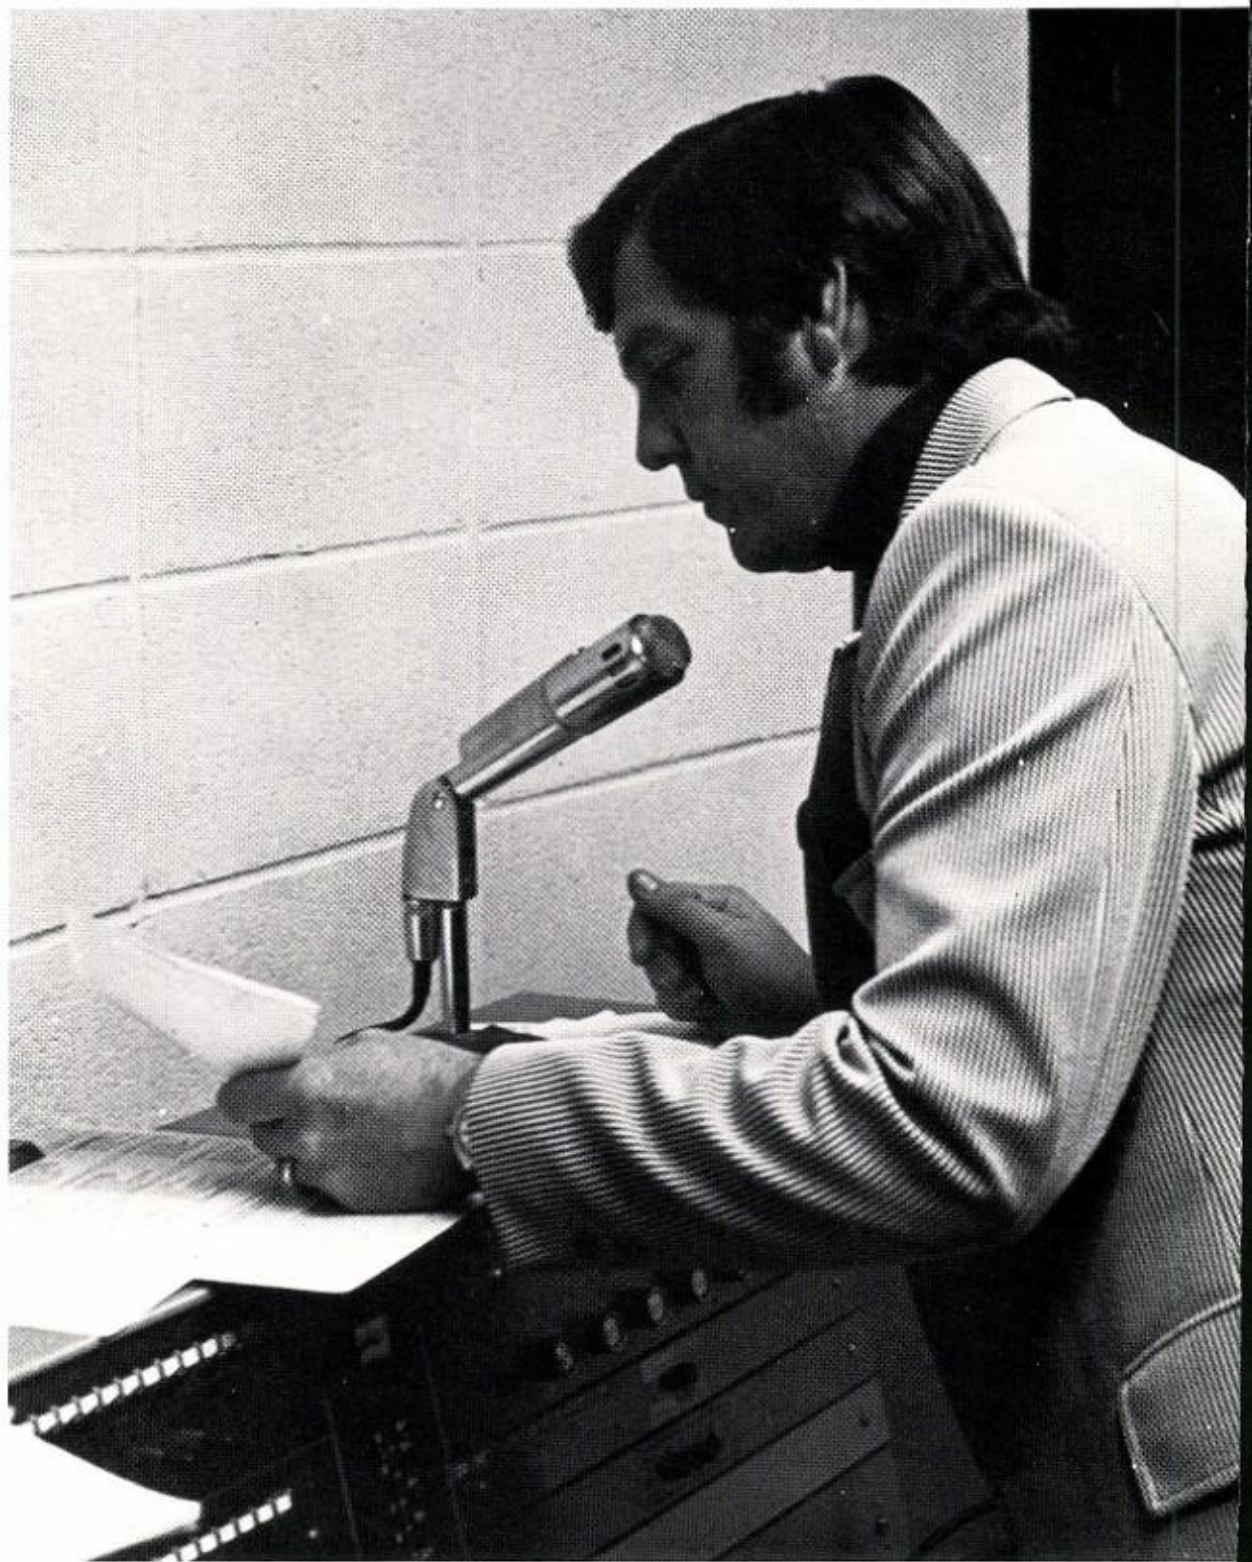

Bob Meeks Helps LV

From discipline to morning announcements to detention and failure are the range of duties carried out by Mr. Bob Meeks, assistant principal.

He works with attendance problems, tardies and overall assists the principal in day-to-day routines.

Mr. Meeks strives for the best solutions working with both students and parents to reach compromises.

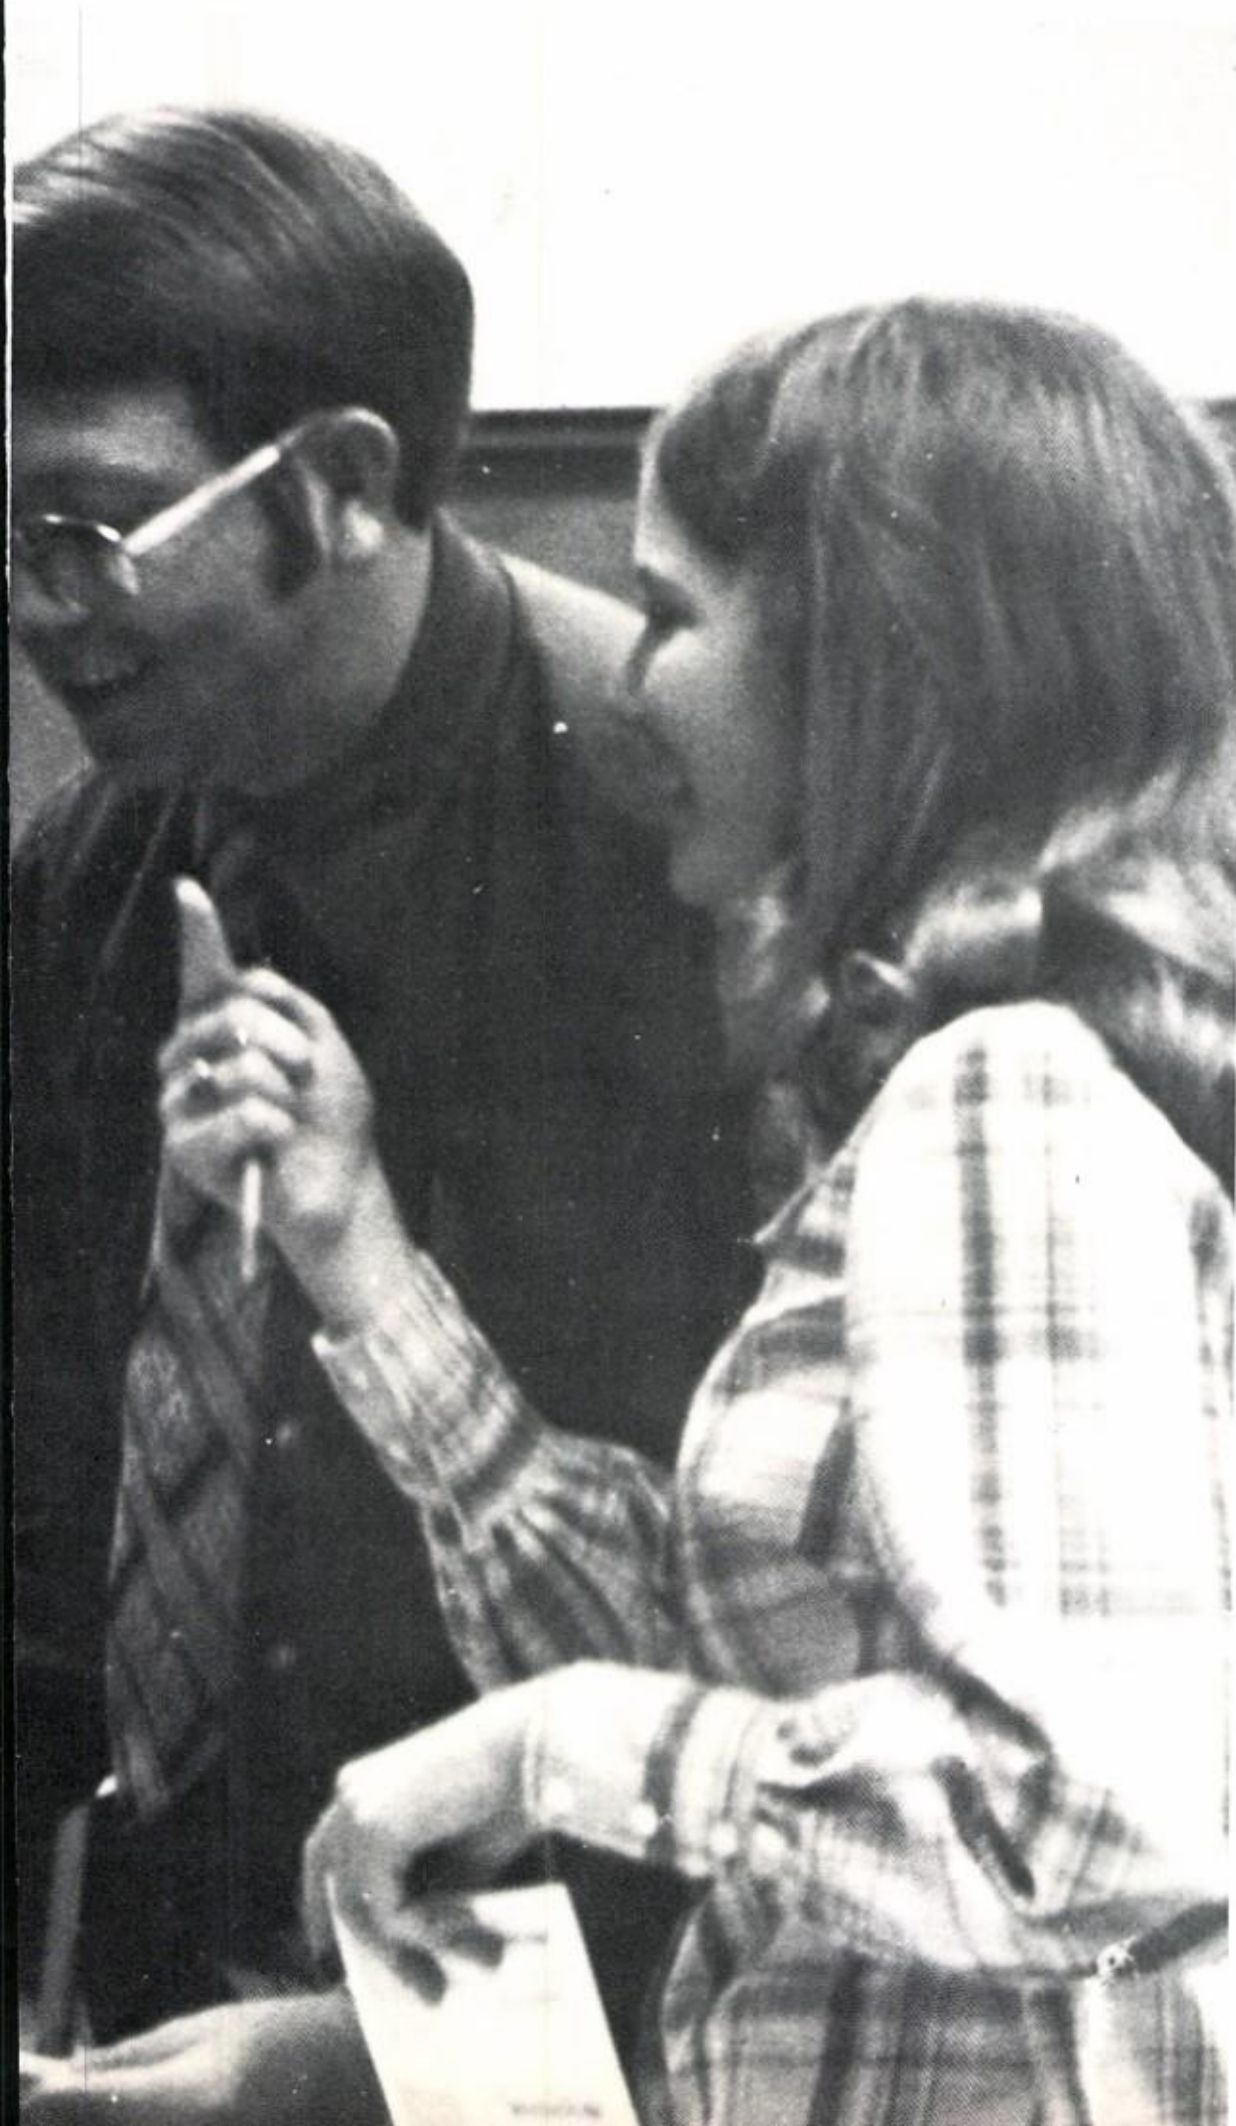

Fenwick's Interest in Students Earns Him Teacher of the Year

Floyd Fenwick, social studies teacher and coach, was chosen teacher of the year for his interest in the students and his understanding nature.

Mr. Fenwick teaches Civics, American History, and assists in freshman football and basketball.

Fenwick, always a good listener, somehow manages to reassure his students that "everything will be all right," if they'll just work a little harder. Mr. Fenwick was nominated along with some six other teachers for the honor and votes were cast by the entire student body.

Hooker, Bristo, Hale Instill Confidence

Worrying about what college to attend or what field of vocation you want to go into? If so, then Mr. Charles Hooker, academic counselor, or Mr. Jerry Bristo, vocational counselor, are available for guidance and help.

Both counselors are qualified to answer questions and assist in making these important career-planning decisions.

"Believe" - This single word describes one of the best loved and respected teachers at Lake View. Coach Hale as athletic director has done an outstanding job of bringing to Lake View the best in sports in all fields.

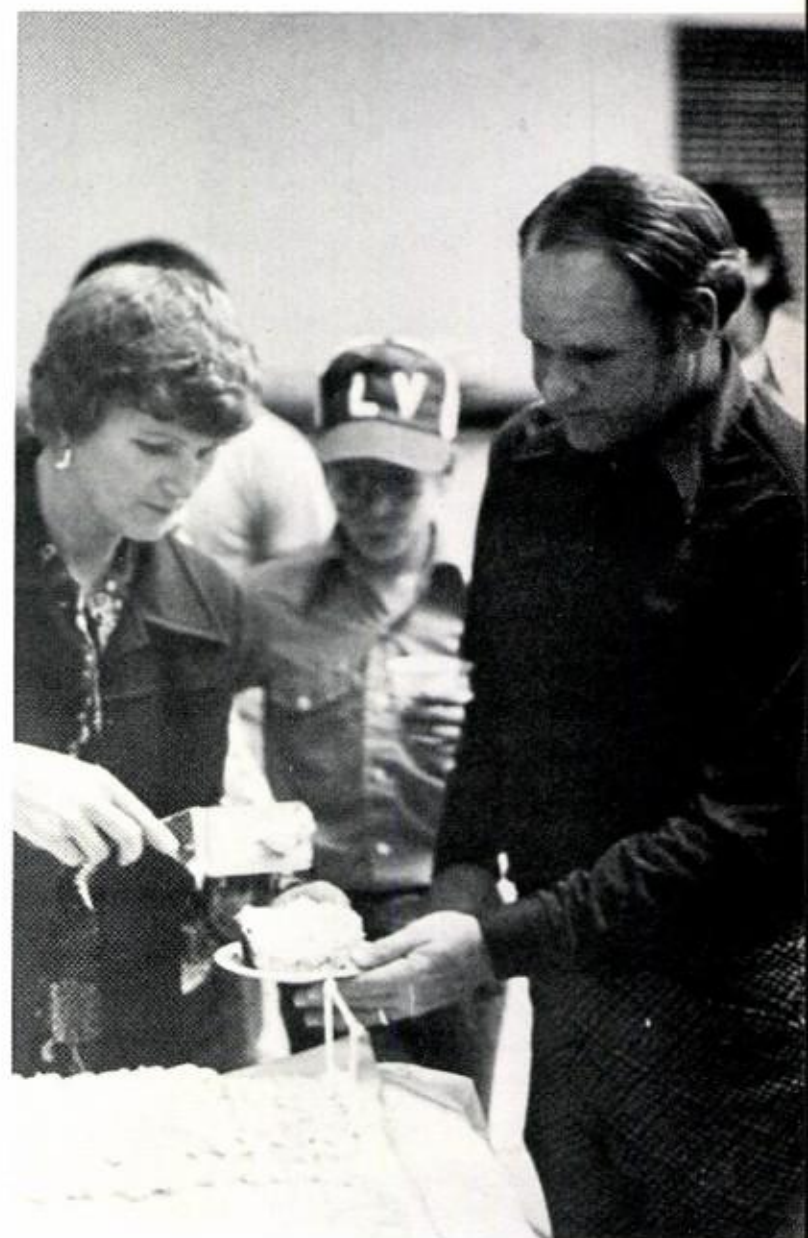

He has instilled pride in the

Chieftains and the student body. Through his efforts to make a champion team he has helped Lake View gain the respect of the community and in all his efforts he embraces his philosophy of believing.

Support Personnel Commended

The custodians must keep the school spic and span which is certainly no easy job, especially if the students get lazy. But as always the custodians are on the job and going great!

The task of feeding some 900 students daily rests on the shoulders of the Cafeteria and snack bar ladies.

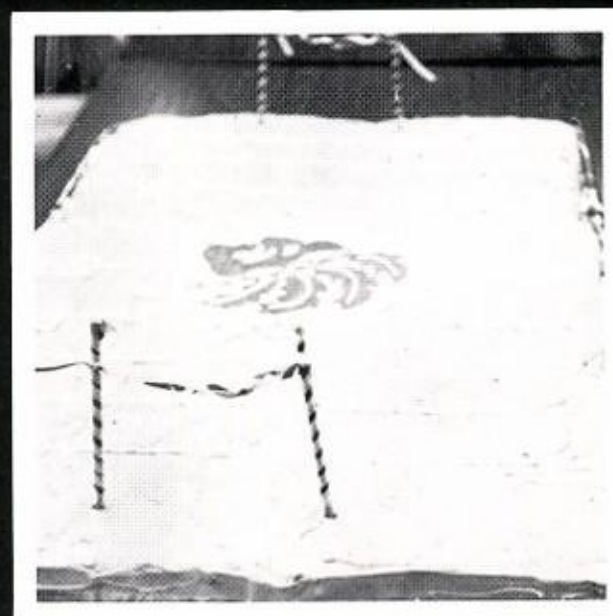

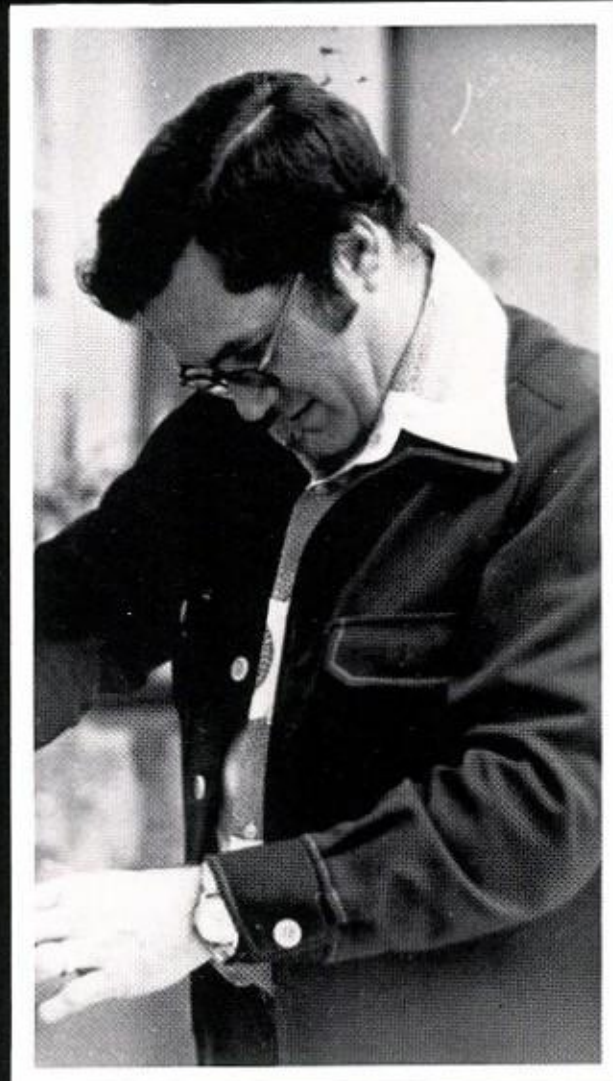

Teachers' aids and secretaries take care of many behind-the-scene activities that keep the school running smoothly. Precise record-keeping activities and paper-grading are tasks the aides and secretaries perform daily.

Band Adds 'Jazzy' Routines

The band took on a new look this year as they added many intricate steps and "jazzed" up their halftime shows. The band is announced as the "Pride and Spirit of Lake View High School," and this is very easily understood as they participate in pep rallies and games with vigor.

The twirlers along with the drum majorette produce interesting patterns in their routines for Friday night halftime activities.

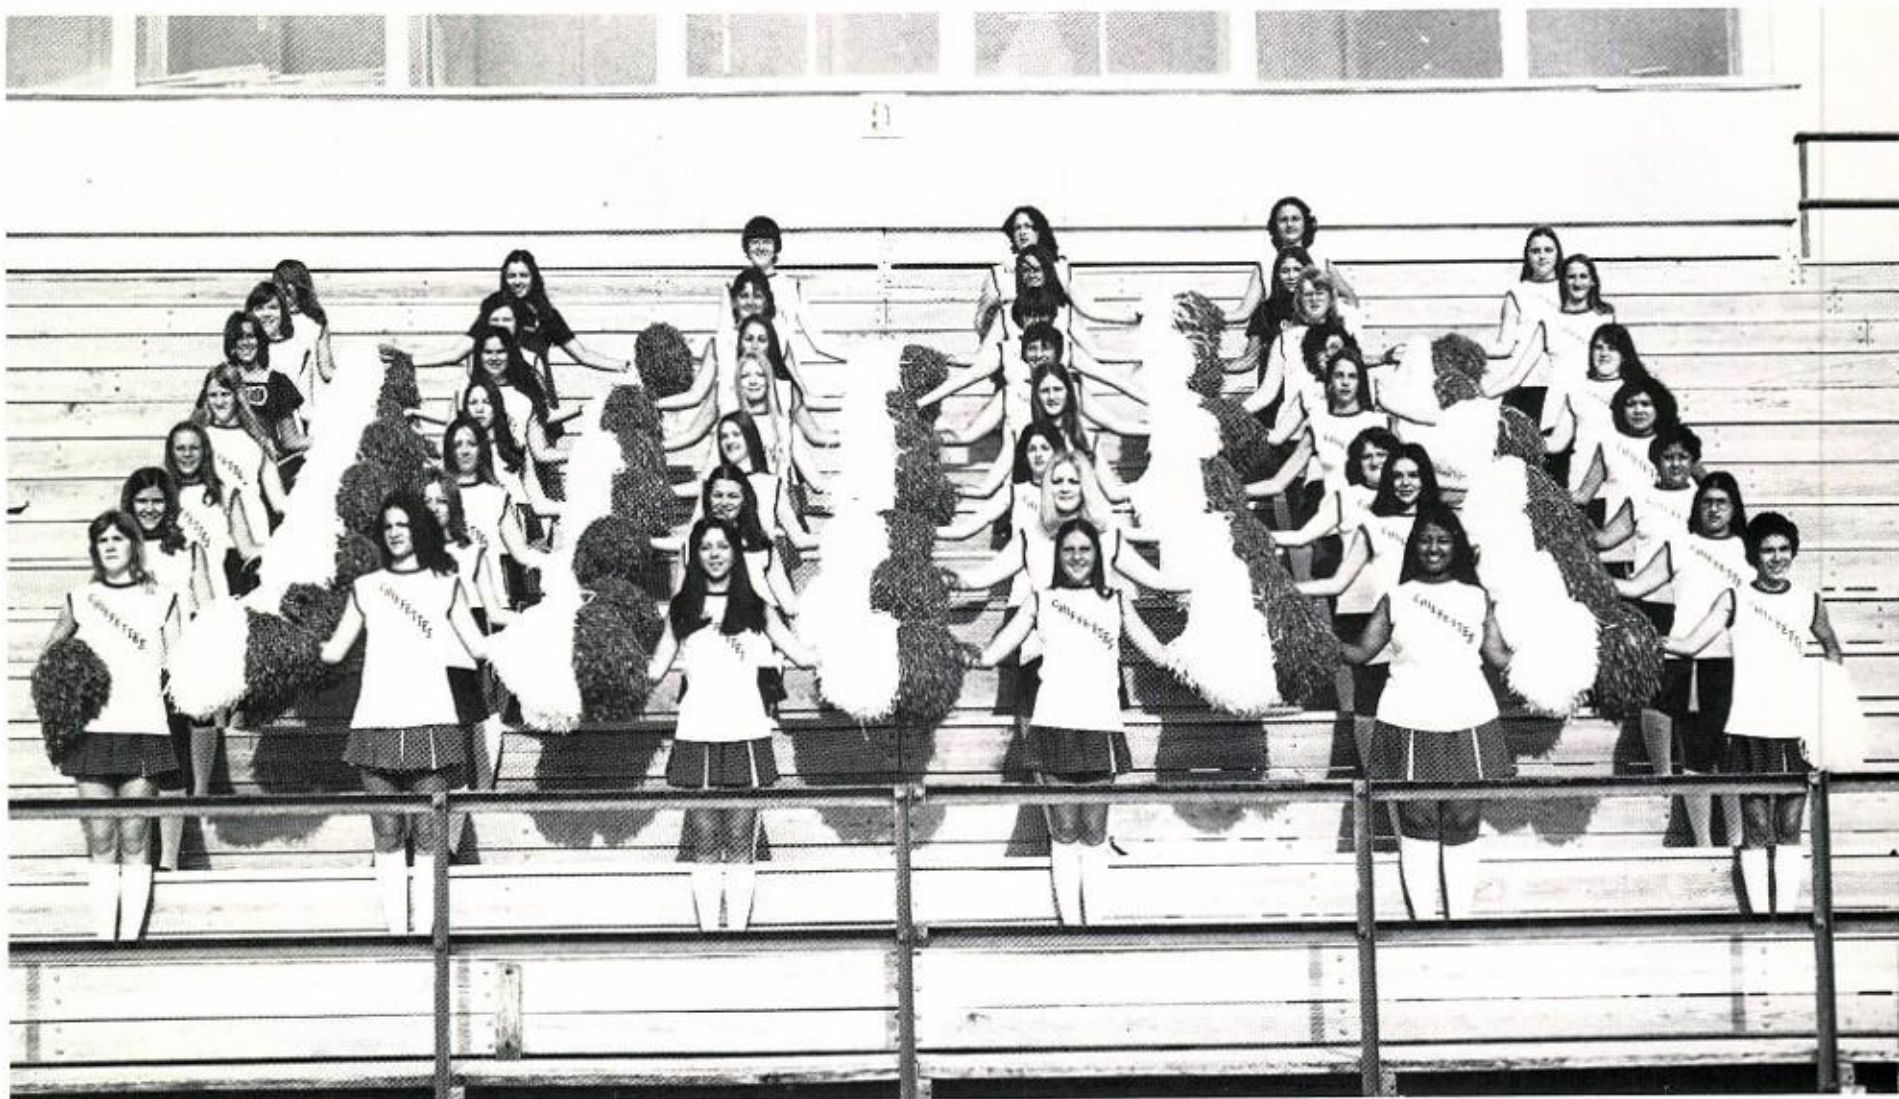

The band doesn't just march and play their instruments, they also have various fund raising activities. The "purdy pads" were the fad for a while, and subscriptions to the STANDARD TIMES were sold during December-January to raise money for a trip to the Houston Astrodome.

Chants, Cheers, Games Lead Good Year

Chiefettes start early in August practicing for those most important football games later to come. Many new cheers are tried and adopted adding new style and spirit.

The group sang chants at football players houses just before the last game of the season as a new innovation this year.

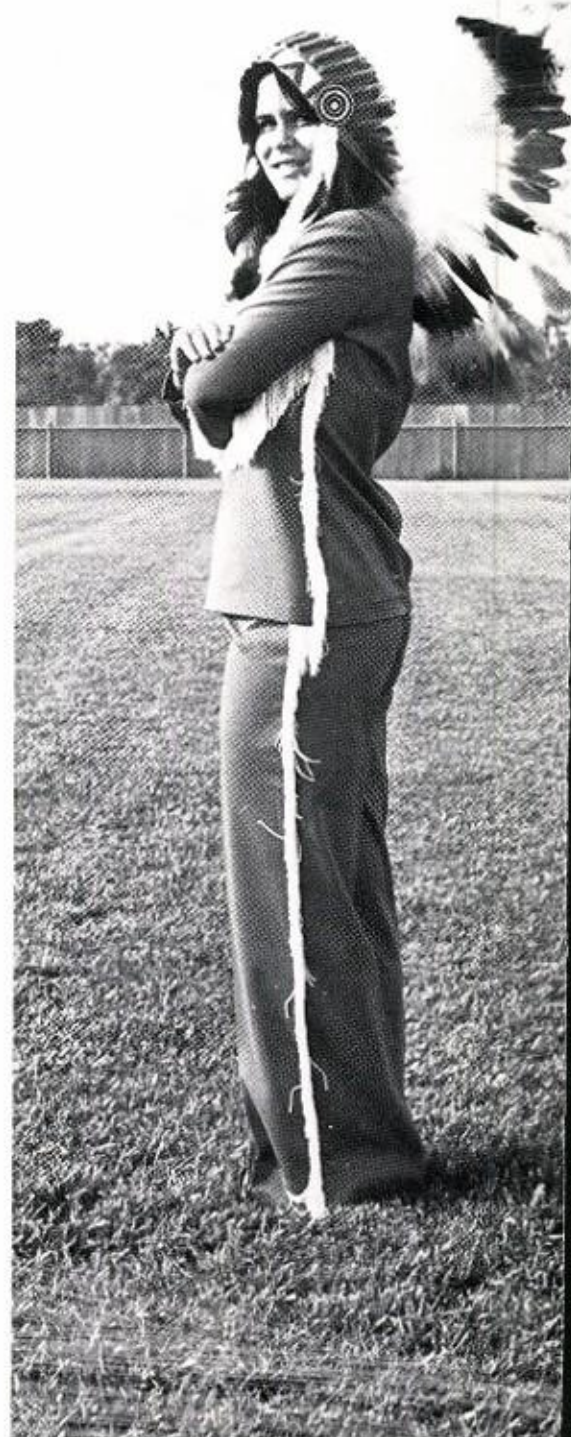

Not only do the Chiefettes boost their team through yells, but they also roam the streets of San Angelo in search of booster card and line-up ad buyers.

A new on the sidelines routine displaying some "moving motions" jazzed up the Chiefettes' halftime participation during football games this year.

Four Place At Region

A melody of music flows from the choir room during fourth period under the direction of Curt Christenson.

Bobby Trejo, Terry Sanders, Kiva Crawford, and Ronnie Goff placed at region choir try-outs last fall.

The choir isn't always singing though. It has sold candles and plastic raincoats to help support their organization.

OFFICERS - Kiva Crawford, Pres.; Ron Goff, V.P.; Terry Sanders, Sec.-Treas.; Teresa Hatley, David Mullins, Billy Hawkins, Susie Fortenberry, Jeff Lynn.

NHS Small But Active

Grades, leadership, and attitude in and out of classes are prerequisites to membership in the National Honor Society.

This year the N.H.S. is rather small, but none the less hard-working. These ten members and their sponsor host the annual N.H.S. banquet for L.V. and Central N.H.S. groups.

They also present a \$100 scholarship to a senior at the end of the year.

Alumnos Sponsors LV Prom

Los Alumnos meaning "the student or pupil" is actively involved in promoting pride in the members and students. This club is made up of a group of interested and hardworking individuals.

Los Alumnos sponsors a scholarship for a student at Lake View and co-sponsors a prom banquet and dance each year for all Central and Lake View Mexican American students.

To pay for this prom they have various fund raising projects throughout the year.

Key Club Develops Character

You put a bunch of boys together and you usually have chaos. Not so with Lake View's Key Club group. These young men seem to continue to prove the good reputation of Lake View High School.

Every Thursday two young men are selected out of the Key Club to attend a luncheon held by the Kiwanis Club.

The Key Club Sweetheart for 1975-76 is Vickie Hasty. She is a senior and a varsity cheerleader. Vickie is very active in many organizations; such as Student Council, G.A.A., and Honor Society. Vickie was elected for her pride and spirit in Lake View.

Math Club Competes

Math Club members competed in meets at Pecos, Abilene, Stanford, and Angelo State during 1975-76.

The members participated in slide rule, number sense and the mathematics test.

Mrs. Francis Renfroe, sponsor, worked with the students weekly helping them achieve their maximum potential.

FTA Sells Banners

The rebirth of the student directory, a cooperative project of Future Teachers of America and Student Council, set the hectic pace the FTA has maintained this year.

Helping to boost spirit, the club sold Chieftain banners for students to wave, wear or display.

Club president, Sylvia Sanchez, was elected district president at the fall convention in Dublin. She will preside at next year's district convention to be held here.

STUDENT COUNCIL OFFICERS - Debbie Davis, V. Pres.; Elizabeth Simpson, Sec.; Sherree Burgess, Hist.; Joyce Cornelius, Treas.; Shelly Simpson, Parl.; Pat Powell, Pres. STUDENT COUNCIL - FRONT ROW: P. Student Council Leads the Way

Student Council serves as a go-between of Lake View's faculty and student body.

The job of a Student Council leader or representative may look easy on the outside, but if a closer look is taken one can see the difficulties that each hard-working student council member faces.

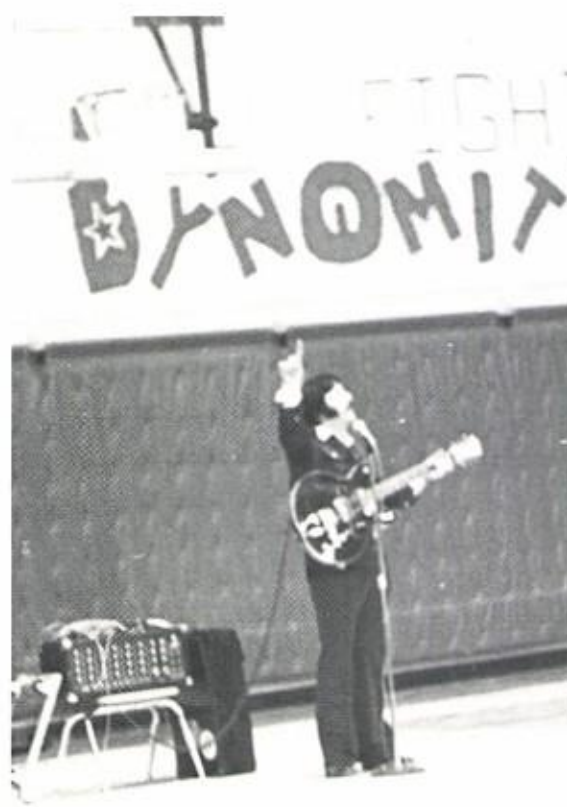

Student Council serves many functions including parking lot attendant, sponsor of dances and many holiday and fun time activities.

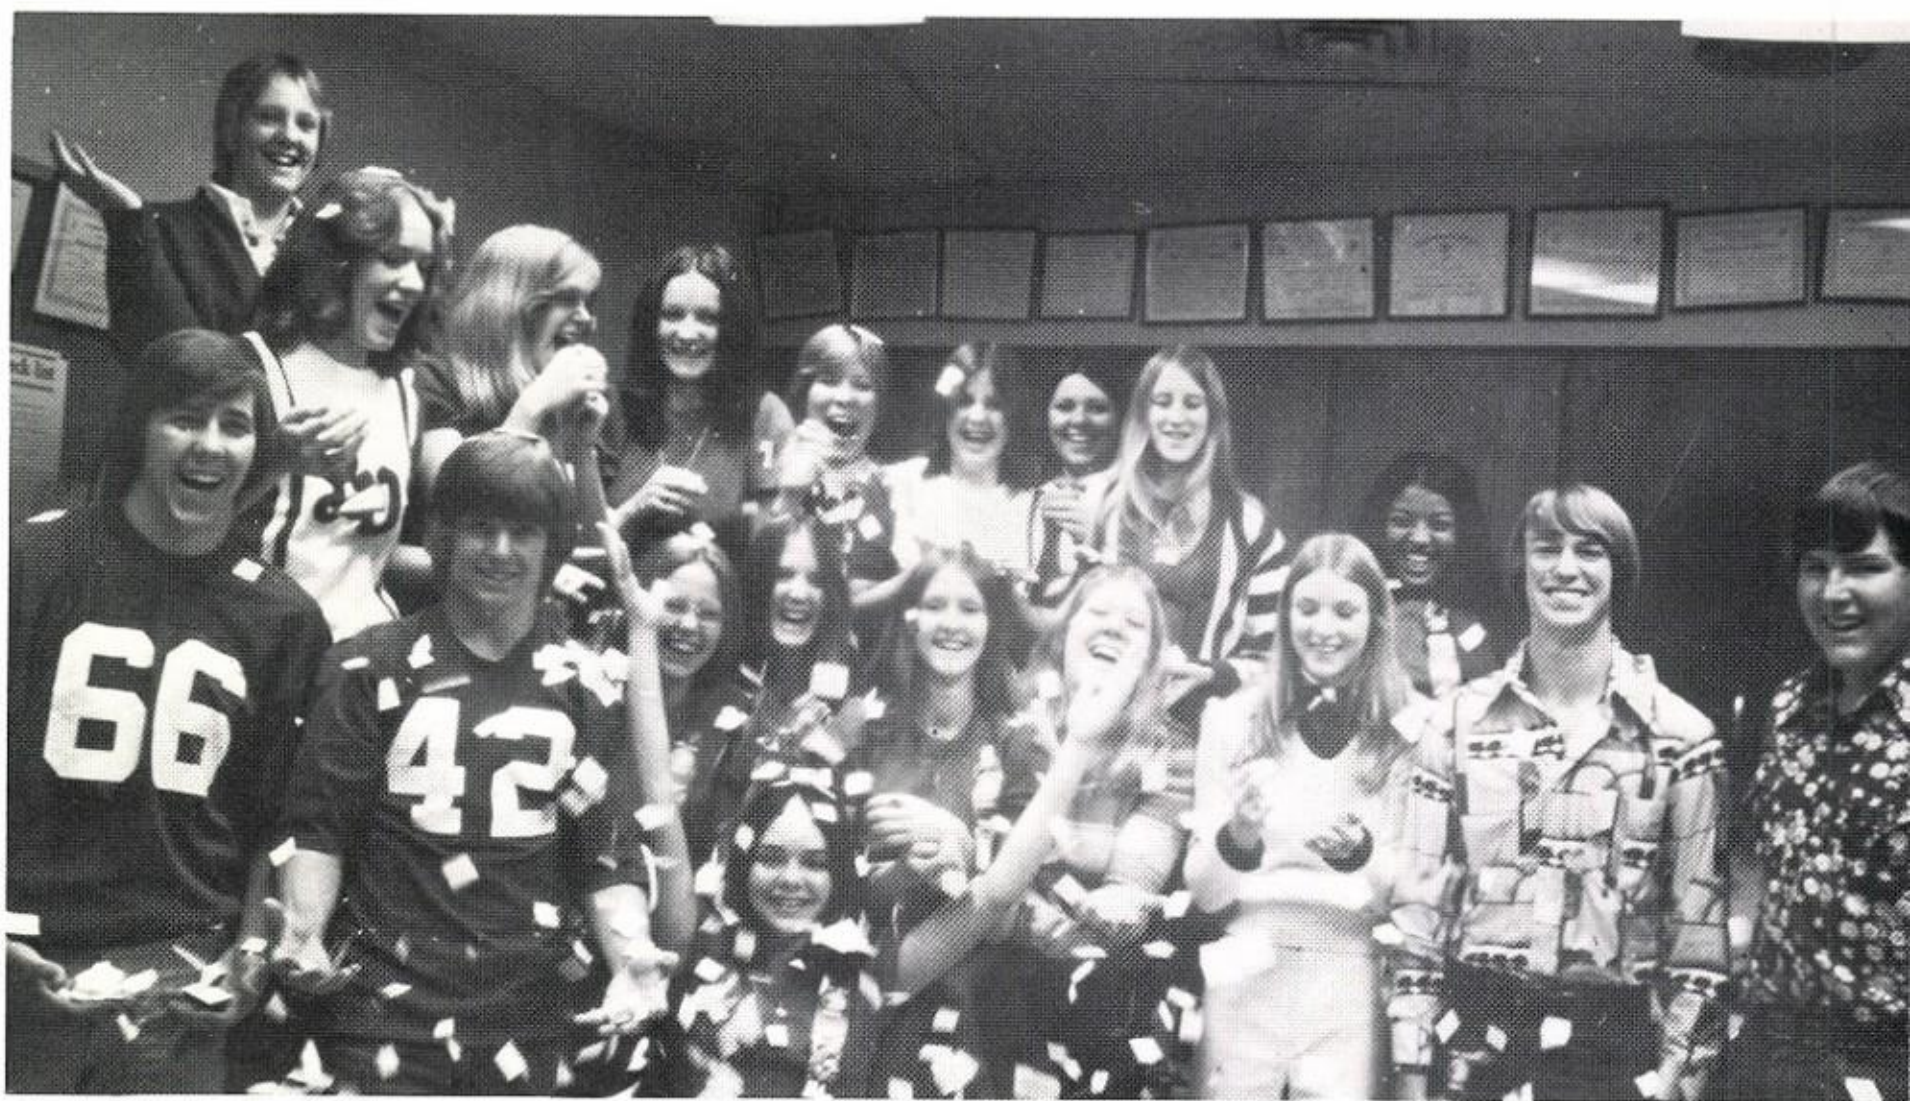

Student Council also serves the function of the problem-solver. If any student has a concern he can bring it to the Student Council and the S.C. will take it up with the staff.

The S.C. is a necessary organization in a High School and Lake View's S.C. works hard to fulfill its duties.

Annual Gets New Look; Staff Adds 16 Pages

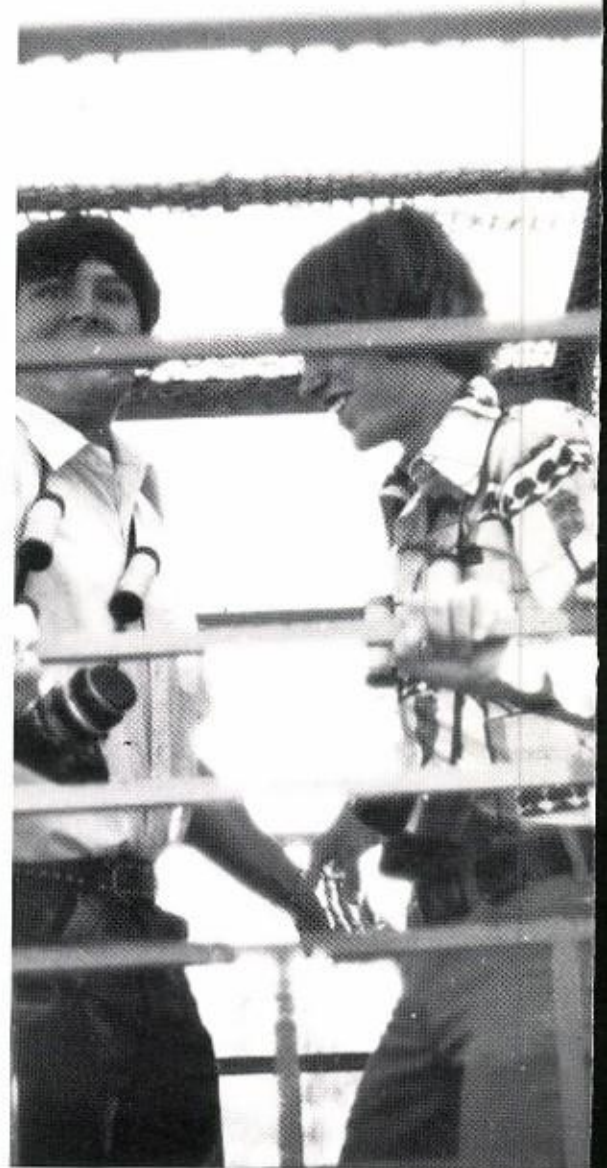

"Layouts, Complete, are due tomorrow with no excuses!" These words are spoken to the yearbook staff as they struggle to complete each assignment given them before the deadline.

Photographers also get the heat poured on when deadlines near as each person demands the exact pictures for his layout.

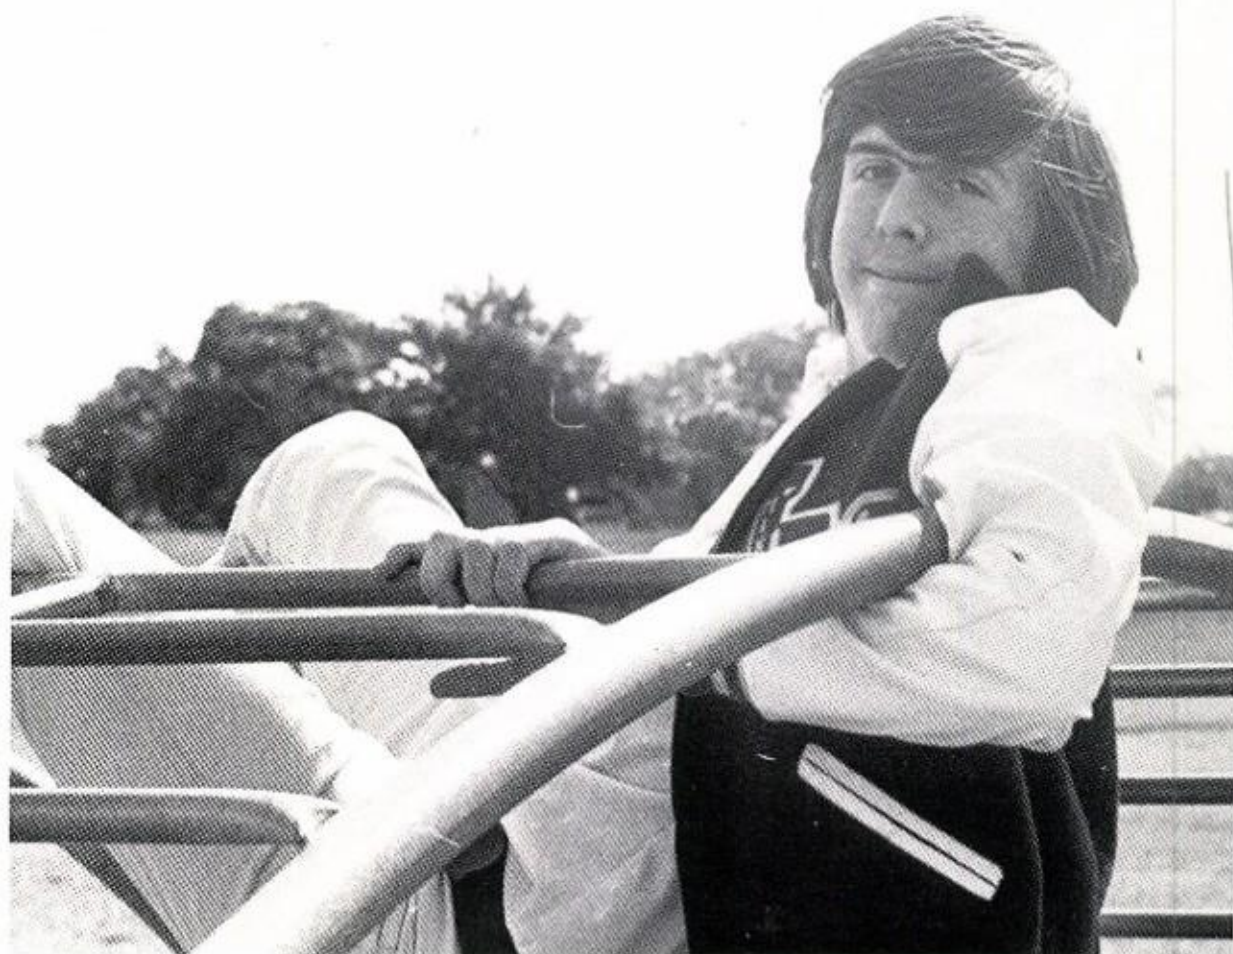

The students also work to finance the yearbooks by selling ads and subscriptions to the yearbooks.

Through dedication and hard work the 1975-76 Chieftain is completed and the anticipation to see the finished product mounts not only in the student body but also within the yearbook crew.

Pow Wow Publishes 17 Issues

Only two weeks separate the deadline the Pow Wow staff faces in order to publish some 17 editions.

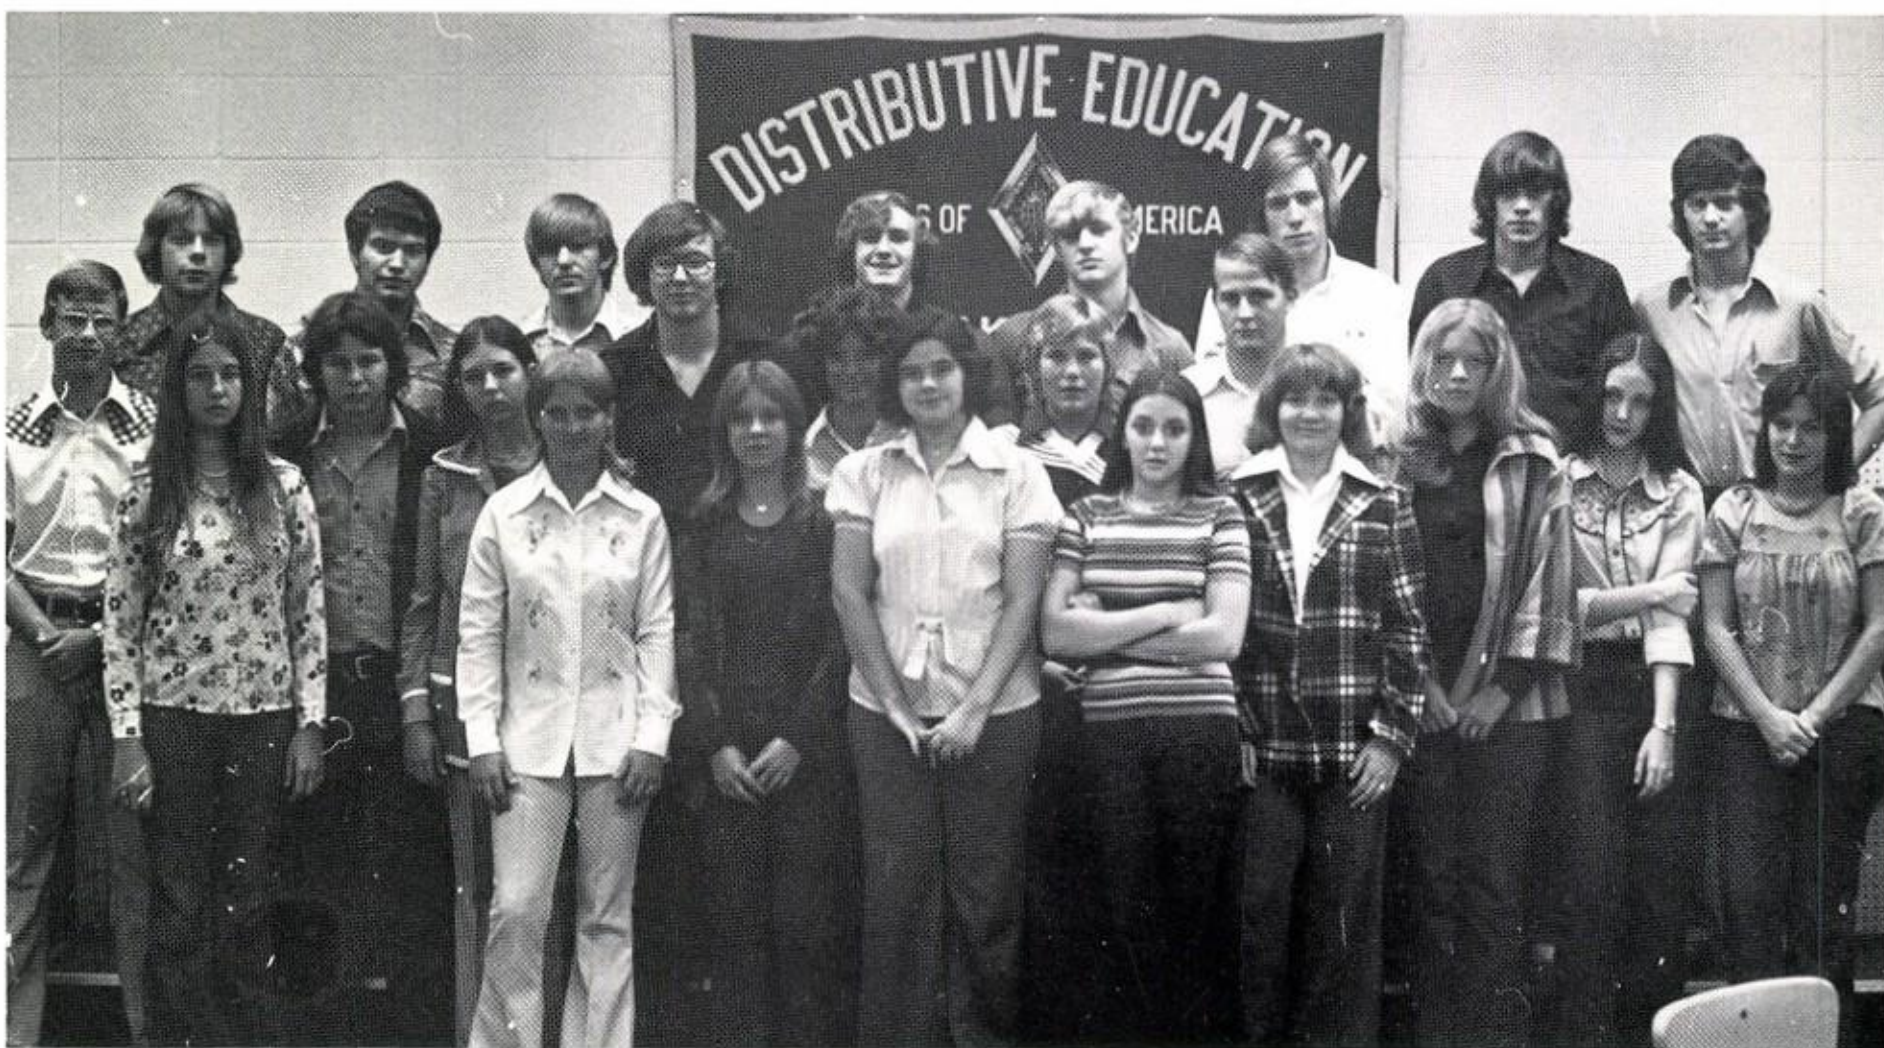

In this brief period the staff must write stories, take and print pictures, and send the copy to the publisher in time to be printed before the sale.

The Pow Wow staff has a constant job of gathering information for stories in each bi-weekly edition.

DE Sells Balloons

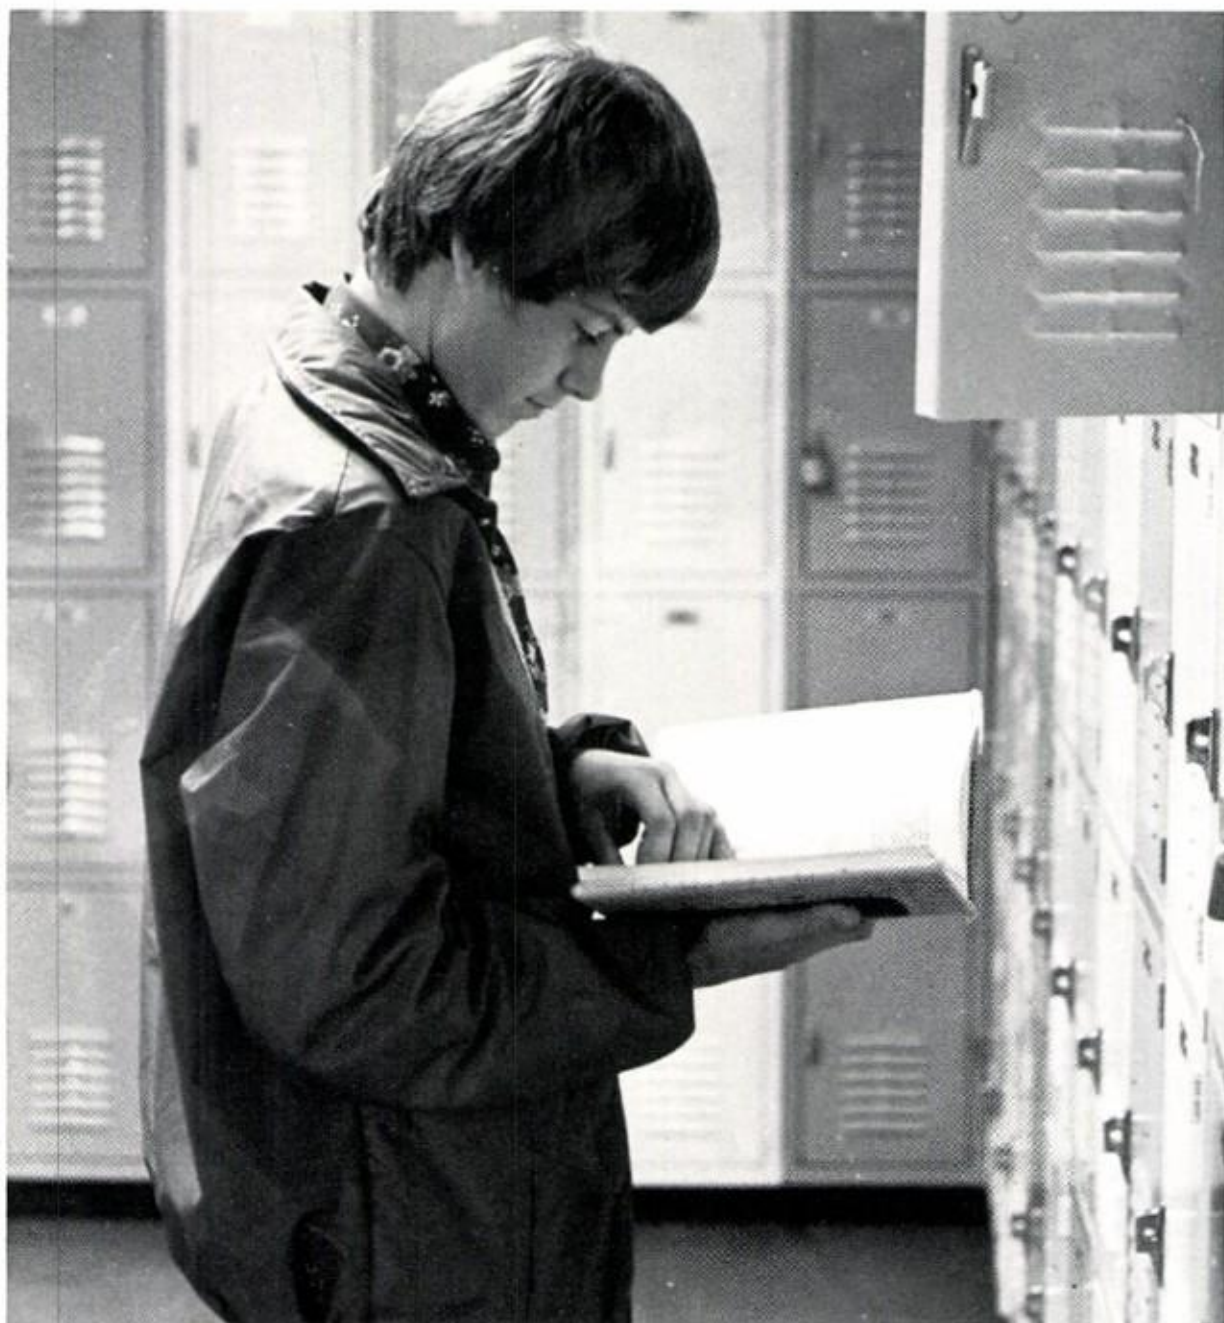

Distributive Education Clubs of America is involved in numerous community projects and perhaps the most outstanding is their Christmas project. Donors provide canned goods for a needy family to have a Merry Christmas.

"The Ugliest Man on Campus" (or should we say person?) had a slightly different flair this year with the intervention of fine females.

Bobby Stokes took first place and a steak dinner and Julie White nabbed second place and two free movie tickets in the Distributive Education Clubs of America Contest.

Spirit balloons are sold at all home football games and released after the first touchdown as a spirit and fund raiser for DECA. For basketball season DECA sold ads for the basketball programs and manned the snack bar during the games. The DECA Sweetheart is Suzen Susaraba. Suzen is a senior and is actively involved in Chiefettes and FHA.

Homemakers Sell Items

From Chief window stickers to Chief cups, the Future Homemakers of America are actively involved in supporting the school and raising money for their organization.

Selling is not the main pastime of FHA though. They spend much of their time concentrating on different community projects. To earn a pin in FHA and the right to participate in the annual FHA national convention keeps all FHA'ers on the go.

The FHA Beau this year is freshman, Phillip Ward. Phillip is on the freshman football and basketball teams.

FFA Judges Livestock

Walking through the barns at the fairgrounds during the Rodeo a person is sure to find a large group of Future Farmers from Lake View.

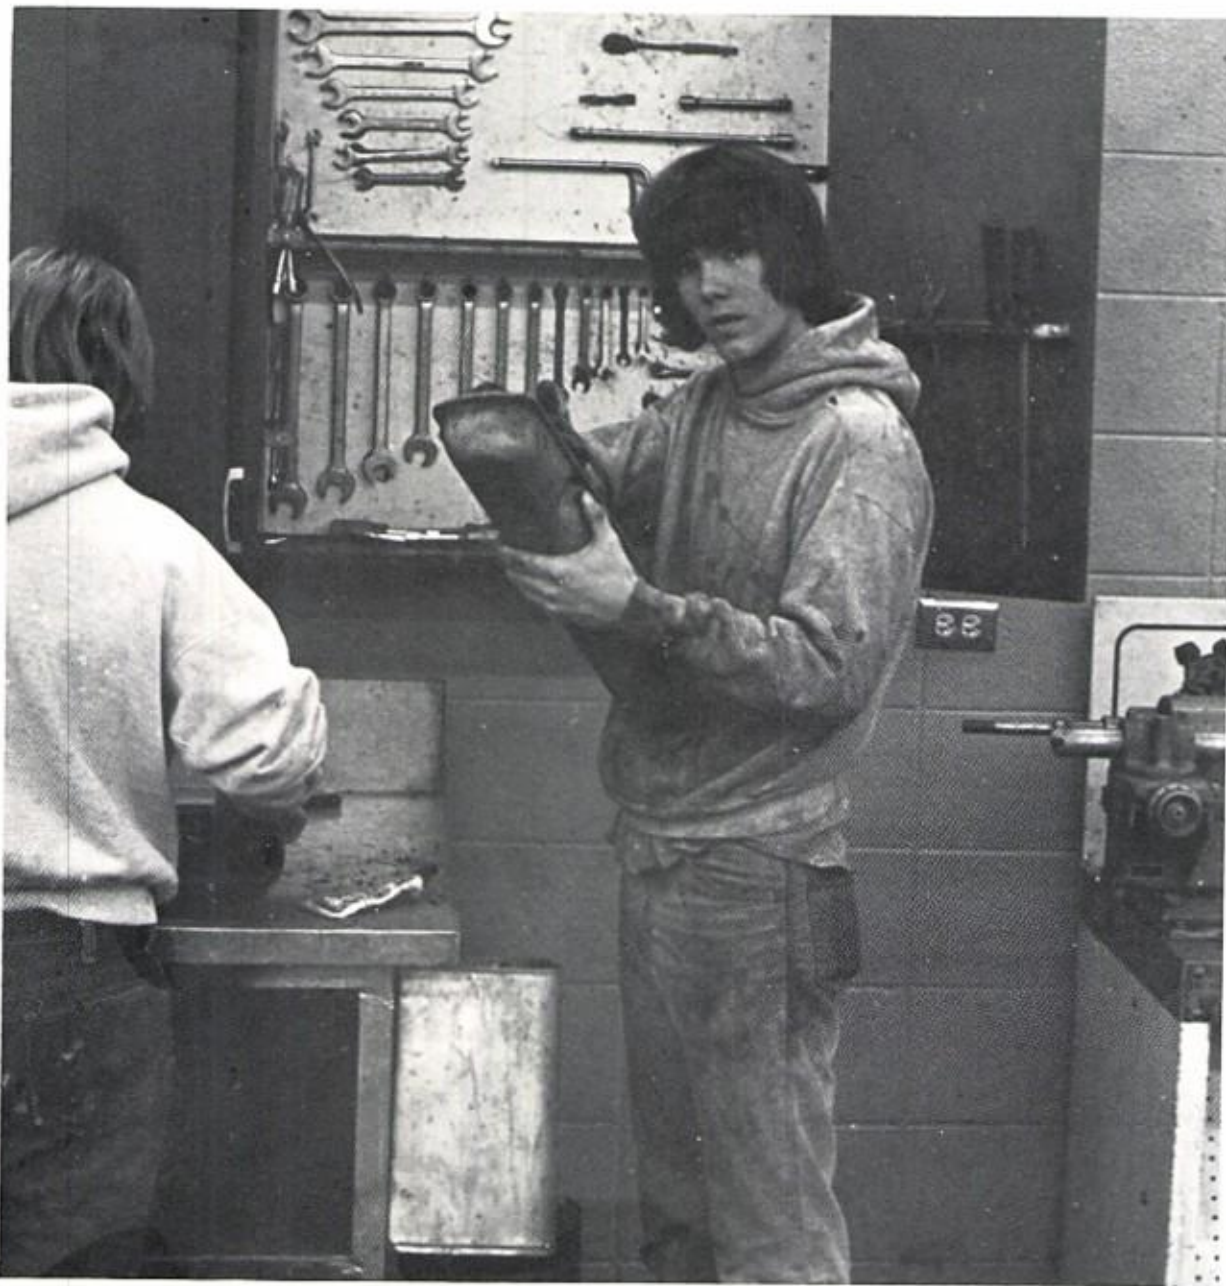

The main project during the year for F.F.A. is getting their sheep and cattle ready for the annual rodeo.

F.F.A. also attends several contests during the year judging farm products and livestock. They are also judged on their parliamentary procedure.

The Future Farmers of America have chosen Judy Gibbs as their sweetheart for 1975-76. Judy is a freshman cheerleader and is involved in junior varsity basketball.

Engines Repaired

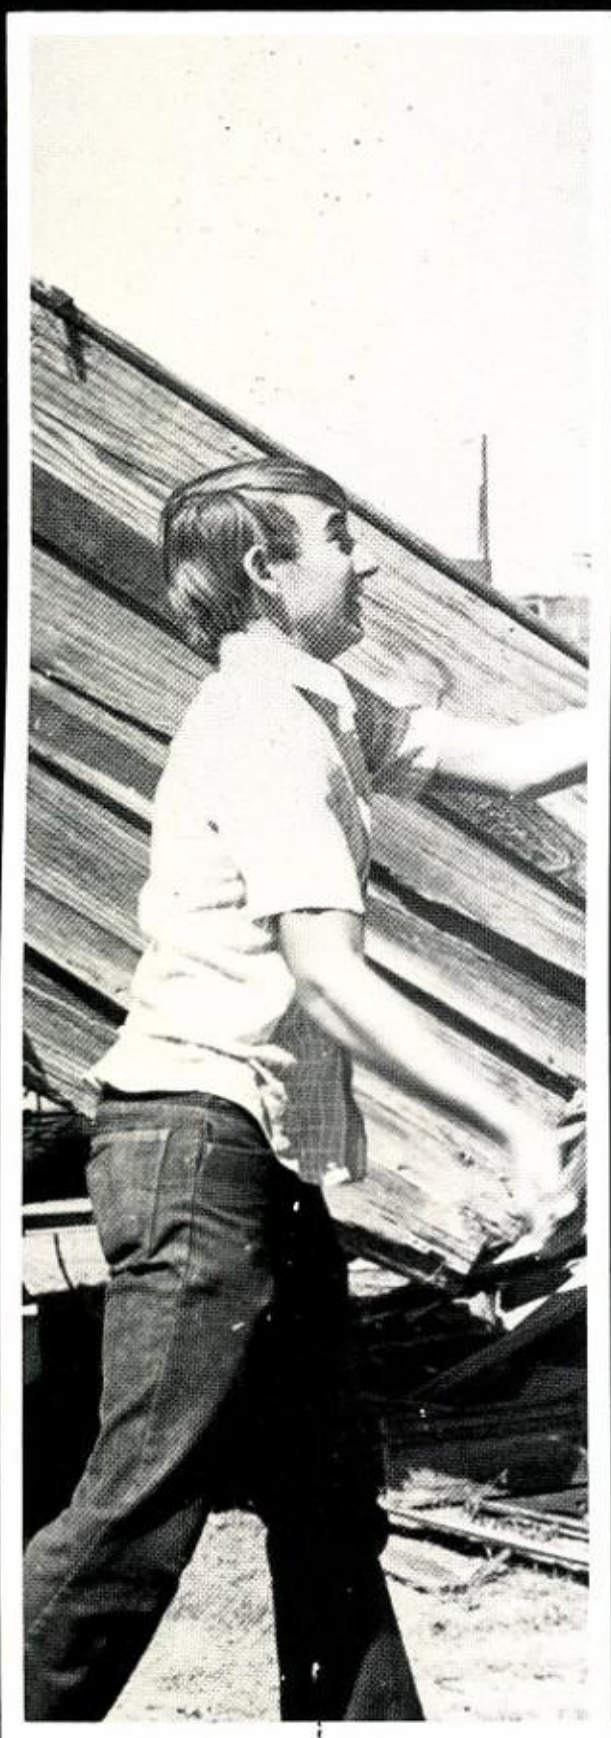

Women's lib has walked into all aspects of life and students have experienced their share of it here. Three girls have made their way into a Small Engine class this year. These girls realize they too need to be prepared to do minor car repairs.

Small Engine works all year long learning to repair a car. They also attend several contests to put their skills to a test and often come out victorious.

*Work. A Magic Word Spelling
Success. We Revel in It, and We
Are Fulfilled.*

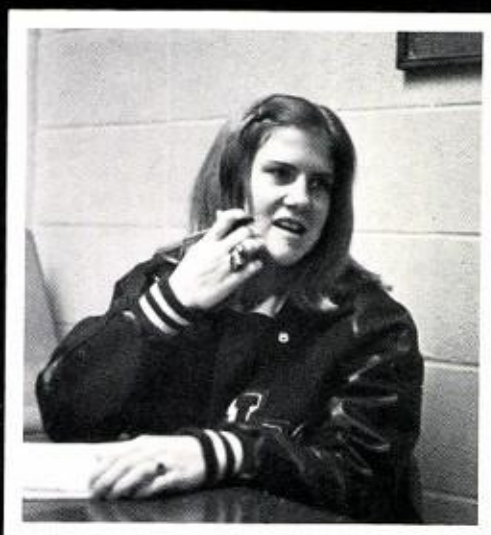

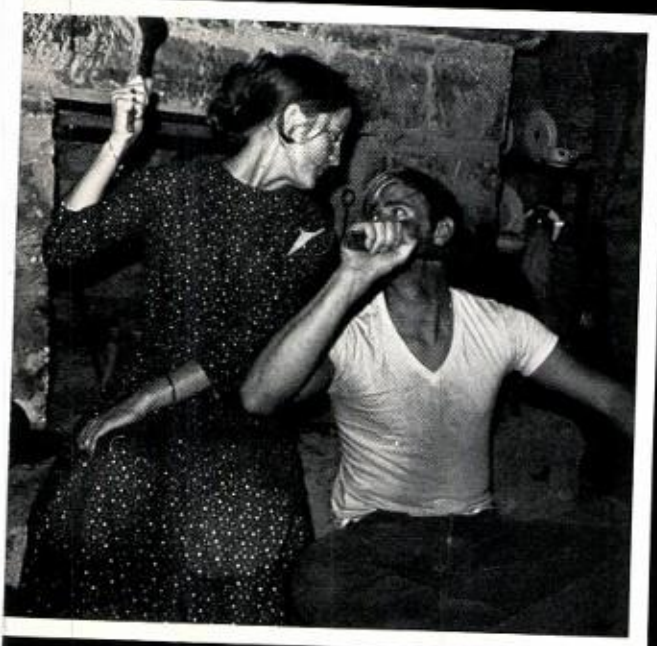

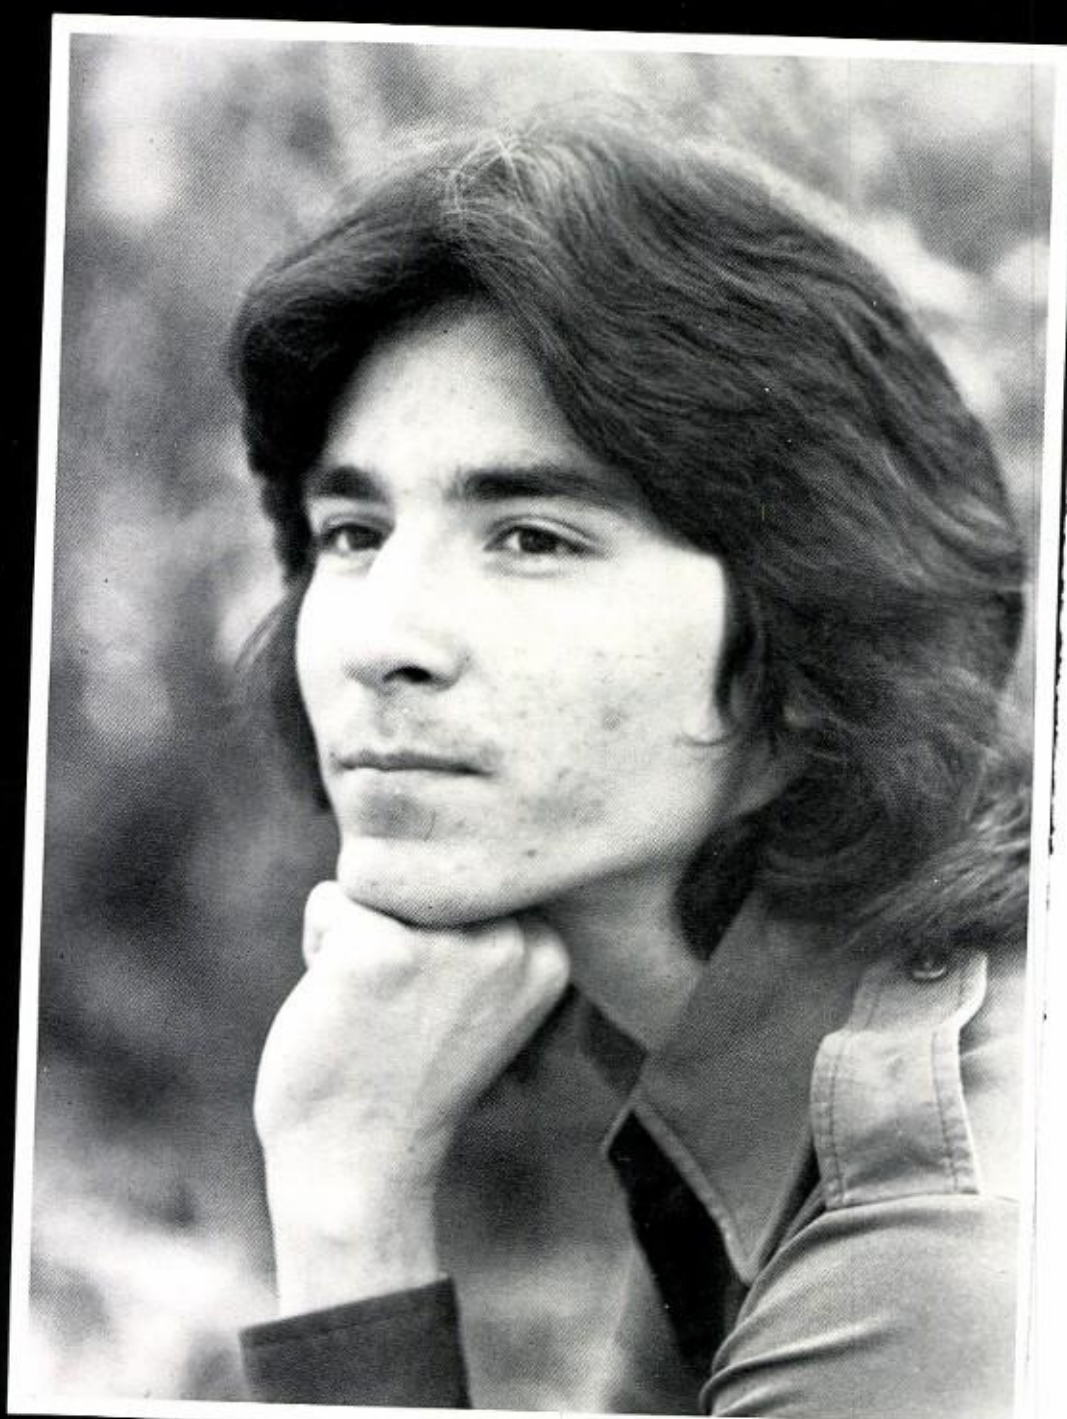

*And Life Goes on . . .
the Solemnness and Anxiety,*

*Preparing for More Things to Come
Reaching Out and Grasping
for the Future . . .*

*Reflecting on What Life Has
Given You and on What It
Has to Offer.*

*Here We Are. We Know the Road Behind Us, Paved and Directed. Where Does It Lead
... "The Future Is Something Which Everyone Reaches at the Rate of Sixty
Minutes an Hour, Whatever He Does, Whoever He is." And That's Something to
Cheer About.*
